MODERN STYLES OF WOMEN INDECENT

Chastity Modesty and Religion Outdone in Present Day Dress

ADDRESS BY MGR. BRUCHESE

Archbishop of Montreal Advises Mothers to Prohibit Such Shameless Styles in Their Family Circles—An Appeal to the Women

The modern dress of some women is the undoing of Christian modesty, the loss of religion and virtue and has broken down the line of demarcation between the pure maiden and those who are sinners.

Mary, the Model "May I not put before you this afternoon Mary, His Mother, as your model. She was a servant of God, and of man. Sanctify, like her, your labor and your firesides, your office or factory. Obey your priests, your employers, but above all obey your father and mother, is still a part of the Decalogue. Be submissive to your parents, for they have labored and suffered for you. If they are poor, help them, it will bring joy to you and to them. Be charitable to the poor and afflicted. Charity will be sweet when it is performed with the wages you earn in the sweat of your brow. Bring virtue into your homes. Let the rich be charitable to the poor. If grandeur is the quality of furniture, what if it is life is barren of virtue and robbed of heavenly hope."

Modesty Banned "Oh, where are the Christian women of our mothers' days? Are modesty, innocence and purity to be banished from our families? The shameful and indecent styles must be banished from our midst. They are shameful and sinful. God must not die in the soul of our young women. I consider it my duty to warn the mothers against these fashions in dress, which are revolting to every feeling of delicacy and propriety, and are fraught with the greatest dangers to morals. Our mothers must stand for their own dignity and purity. The latest style of dress is a disgrace to our so-called civilization. It is especially the duty of mothers or older sisters to inculcate a high degree of modesty in their young daughters and sisters. If you women unite against this innovation you will have a salutary influence. You have a family, condemn it in your circle. Be apostles of modesty and innocence and decent dress. Let a woman's glory be her modesty and purity and refinement. If you will help me in this crusade God will bless you and the church will be pleased with you and Mary, the Mother, the all-pure, will protect you."

Offers Hospital to Newcastle Newcastle, Sept. 5.—Newcastle is to have a public hospital if present plans worked up by E. A. McCurdy, secretary of the board of trade, and others do not miscarry. A person, not named by Mr. McCurdy, has offered \$25,000 to build and equip a hospital here on condition that the means of maintenance is found elsewhere.

How to Absorb an Unlovely Complexion (Phyllis Moore in Town Talk) The face which is admired for its beauty must have a satin-smooth skin, pink and white, and youthful looking. The only thing I know of that can make such a complexion out of an aged, faded, or discolored one—I mean a natural, not a painted, complexion—is ordinary mercurochrome. This remarkable substance literally absorbs the unsightly cuticle, a little each day, the clear, healthy, girlish skin beneath, gradually peeping out until within a week or so it is wholly in evidence. Of course such blemishes as freckles, moths patches, liver spots, blotches and pimples are discarded with the old skin. If you will procure an ounce of mercurochrome at the drug store, use like cold cream every night, washing this off mornings, you'll find it a veritable wonder-worker.

Another valuable natural treatment is a wash lotion to remove wrinkles which can be easily prepared. Dissolve 1 oz. powdered saxolite in 1/2 pt. witch hazel. Bathe the face in this and you'll find it works like magic.

A GREAT BELIEVER IN "FRUIT-A-TIVES"

Well Known Ontario Merchant Has Faith Because "Fruit-a-tives" Cured Him

Mr. James Dobson, Bronte, Ont., March 1st, 1912. "Fruit-a-tives has made a complete cure in my case of Rheumatism, that had at least five years standing before I commenced the treatment. The trouble was principally in my right hip and shoulder, the pain from it was almost unendurable. Not being able to sleep on that side, if I chanced to turn on my right side while asleep, the pain would immediately awaken me. This kept up until I started taking "Fruit-a-tives." I started by taking one or two tablets with a large glass of water, in the morning before breakfast and experienced pronounced relief very shortly. After a continued treatment for about six months, I was cured and am now in first class health. This, I attribute to my persistent use of "Fruit-a-tives" and I heartily recommend your remedy to any Rheumatic sufferer."

B., Sept. 5.—The result of the investigation in the case of Patrick McGillan, who disappeared at Grand Falls about July 28, and whose body was afterwards found in the river, has convinced the attorney-general that there is sufficient evidence of foul play to take measures to unravel the mystery, and as a step in this direction, the government will offer a reward of \$500 for the apprehension of the parties concerned in the death of McGillan.

Daily Hints For the Cook

Gratinades Cut 1 1/2 pounds of round steak into inch square pieces. Arrange in a baking pan and sprinkle with chopped celery, grated or minced onion, with salt and pepper. Put in a saucepan 2 tablespoons of butter, 2 of flour and 2 cupfuls of strained tomatoes. Stew the tomatoes first, season with pepper and salt, and when smooth and thick pour over the meat and bake in a very hot oven for half an hour. Serve with baked white or sweet potatoes.

Jelly Roll To 8 well-beaten eggs add 1 cup of fine sugar (granulated). Beat well, add 1 cup of flour with 1 teaspoon of cream of tartar, well sifted, with it. Add 1-2 teaspoon soda, dissolved in a very little milk, a little salt and teaspoon extract of lemon. Spread thin on long shallow pan, bake until just done and no more. Have ready a clean towel, jelly and silver knife. Turn cake upside down on towel, quickly spread with jelly and roll up. Don't let it get cool. Wrap in clean napkin a little while and keep in shape. Have your dough about 1-4 inch in pan before baking.

MINISTRY MAY RESIGN

Sydney, N. S. W., Sept. 5.—The difficulties of the new federal government are becoming more acute, says The Telegraph's correspondent. In the senate much bitterness exists, the conduct of the business has been taken entirely out of the government's hands. The other night the standing orders

were suspended to permit Senator Pearce to attack Senator Miller's allegation that 80,000 names were irregularly placed on the electoral rolls before the last election. Mr. Miller still defends his statement. Premier Cook, however, says another election cannot long be delayed. "We don't intend to stay in office unless we can do liberal work for the country."
