I part price, \$20 per lot.

Ist:—Every Mining Lease to be exempted

from Royalty for live years from its date. 2nd.—That the right of Mining within Tract of one Square Mile, for the term or an Agent to be appointed by the Governor.

3rd —That the upset preference price for each Lot be twenty dollars.

each Lot be twenty dollars.

4th.—That the preference money be paid, and the ground selected within one hour after the time of sale, after which other Lots will be offered, if required, in like manner.

offered, if required, in like manner. be made by Arbitrators manually chosen by the Surveyor General for the time being, and

the Surveyor General for the time being, and by the Levile or his Assigns.

6th.—That if the Levies shall not actually raise Cool or other Mineral, to the value of four handred dollars, from his ground within any one year (the first five years excepted) during the continuance of his Lease, the same that become to related.

At the head of the room was placed. shall become torfeited.

RAVAGES OF A MAD WOLF IN RUSSIA.—
The Russian papers report that several vil ages in Lituanus were recently visited by an unusually large wolf, from the adjacent forcets, which in a few hours tore in pieces three peas and, (two women and a man) and more or less wounded thirty one persons and fifty four the night, the people were seized unawares to that they could do but little in self-defences to that they could do but little in self-defences. The animal was subsequently surrounded in the woods and killed. The beast was to all appearances afflicted with hydrophobia, and the last self-defences the persons who survived his street killed. The beast was to all appearances afflicted with hydrophobia, and the last self-defences the agency of the last self-defences. The animal was subsequently surrounded in the woods and killed. The beast was to all appearances afflicted with hydrophobia, and the last self-defences the agency of the last self-defences. The animal was subsequently surrounded in the woods and killed. The beast was to all appearances afflicted with hydrophobia, and the last self-defences the entire of the self-defences and the continuation of any matter which may have sufficiently any next. The Prospectus will appear in our next issue. The price is \$3.00 per annum.—

In the official notice of the Young Men's Christian Association, published in our last is pobable they would have been, had not the fatigues of the journey and the very late hour contributed to weary the speakers. Mr. Anglin's speech was without the most efficiency of the sense of the sentences, Absence at St. John will account in some measure for the errors. The proceedings as furnished were the persons who survived his street have derived immense benefit from using these pills in the case of bile persons who survived his street have been as furnished were the persons who survived his street have been as furnished were the persons who survived his street have been as furnished were the persons who survived his street have been as furnished

SAINT ANDREWS, DEC. 8, 1869

Opening of Western Extension. On Wednesday last, that grand conception dealing with a crisis out of which may come Western Extension—to unite this Province incalculable good or immeasurable ovil; and with the continental net work of railways, bewith all the weight of my official authority, came a reality, and was formally opened for but Messrs, Stevenson, M. P. P., Geo. D. line or branches. Street; Il. O burn, A. Kennedy, N. T. Greathead and the Editor of this paper, were of the position moner imaginable. The truth is, there were so many "no cotor of their collars, as they yet many "pool fellows" on beard their truin that they drove "valid care away." Note-the care adjourned outil after dinner. The distinct of the care adjourned outil after dinner to the care adjourned out leave to the care adjourned out leave to the care adjourned to the care adjourned to the care adjourned to the care adjourned out leave to the care adjourned to th that those interested in this County who may guished by the color of their collars, as they age paid for 50 cents-postage stamps of that 2nd.—That the results and the form of twenty five years, be put up at a fixed rent of twenty five years, be put up at a fixed rent of twenty five years, be put up at a fixed rent of twenty five cents per Chaldron on Coal. so Arrived at the Suspension Bridge an unnecessary delay of several minutes occurred to pay "toll," but after some time the coaches arrived at the Car Shed, where wi hout have a Can arrange toilet, the excursionists

RATHER GLOOMY.—According to our N-w ed on either side by Gov. Wilmot, W. Parks, was driven ashore on the rocks at Negro Head RATHER GLOOMY.—According to our New York exchanges the depression in business is very great in that City, and the dauger of a general crash in mercantile circles very imminent. It is held by some considered high authority that a speedy resumption of specie payments would cause a vast number of business houses to topple over in that city and elsewhere throughout the Union. Our trading, extravagant modes of living and of conducting business are said to prevail on every side. Shops are being closed, houses in large printed in gold-by the Messrs. McMillan.—In the patient of printed in gold-by the Messrs. McMillan.—In the patient of page 1. E q , President of the Road, John Boyd, Eaq , and became a wreck. The crew were saved. in the St. John dailies and other papers that new type. ducting business are said to prevail on every side. Shops are being closed, houses in large printed in gold by the Messrs. McMillan.—
numbers are left unrented, and institud so of people are passing out of empty ment. The but look for the winter is rather a gloonly one for the poorer classes in the American cities, and the low prices of grain in the wheat growing States threaten ruin to the generally conclused the whole growing States threaten ruin to the generally conclused the usual loyal and patriotic teasts.
