For the Latest Telegraphic News look on the First Page.

THE GLOBE AND THE VICTORIA ELECTORAL
The Globe which, under the mask of professional friendship, has for months past, stabling the Local Government in the back, has at last had the decency to throw off the mask, and take a more open view.

Imperial Federation and the Telegram
The Telegram this morning is pleased to mark in an editorial paragraph, that the Imperial Federation movement is practically dead.

The U.S. Census a Fraud
The people of the United States are figuring on a population of 64,000,000, a result which makes them extremely happy and which will be the text of an unlimited amount of bragging for years to come.

A Disappointed Editor
The Globe on Saturday contained a long article on the Victoria election which was a sort of sequel to the previous article in which it advised the electors of Victoria to vote for Mr. Porter.

Note and Comment
The killing of another man at the Portland street crossing by the train that occurred last night has lost his life there the record that has lost his life there the record that has lost his life there.

President Harrison and the University
The Sun this morning contains the following from its Frederic correspondent:
In an article on the university, having special reference to the leave of absence recently granted Prof. Stockley, Saturday's Herald goes out of its way to make an attack on President H. Harrison.
