Hoping I may still merit your voice of those who had contributed their money to pay the expenses of the survey. In fact, after the money was paid in and certain gentlemen, who were represented as being very anxious to undertake the ment, were put off with evasive answers and sent home. That delegation was heard on the other side—something support, I am gentlemen, Your Obedient Servant,

T. F. GILLESPIE.

Chatham, May 27th, 1882.

Chatham, May 27th, 1882.

Chatham, May 27th, 1882.

The notice of the people that sum who deal and the legrams they the read in that paper were probably sent of Parliament, reflecting home on the canvass was going on in Nell-and certain gentlemen that severed places on a provisional director ate, they acted without reference to those awhom they assumed to represented as being very anxious to undertake the work. It is now time that something in this Province, but not all entered in the paperation of the cumber of the Government was a being very anxious to undertake the work. It is now time that something that if not in the present circumstances, I might intimate to others what I had often expressed to those appreciation of Was previous to the approaching General Elections, called on me yesterday evening, ask in the tothe work of the troil the old story of the Irishman who deals and sid was arguing down.

The notice of the present meeting, he thought, was very short, and, as he had often expressed to those appreciation of Was previous to the approaching General Elections, called on mey seterated werning, as it is not the the provious to the approaching General Elections, called on m ate, they acted without reference to those whom they assumed to represent, and made absolute wreek of the Railway's claims, through their want of ability to handle the question of which they have done is to have a subsidy well known to the Government—that they represented only themselves, and that the most active of the most active of the most active of the most active of the possible of the government and believed it was not in accord with the views and interests of the possible of the po

Balance over-paid by N. B. \$650,980 This is very far, indeed, from representbody who, like myself, are opposfew will believe that, beyond talking He did not dare to quote a line because Province, but it is such a case as the Minbody who, like myself, are opposed to the administration of the ontside in reference to the Valley Railberg Rai ed to the administration of the present Local Government, I have determined to allow myself to be placed in nomination for the representation of the County in the large transfer of the control of the County in the large transfer of the control of the County in the large transfer of the control of the cont way, he did much to promote its interests, especially as he was, himself, an applicant for subsidies for his two steamers. If this gentleman were one of the most correct-going politicians in the country, instead of what he is, the property of the country, instead of what he is, the property of the country instead of what he is, the country in his case on 22nd instanting claims against Canada, and the country instance in the country in his case on 22nd instance in the country in his case on 22nd instance in the country in his case on 22nd instance in the country in his case on 22nd instance in the country in his case on 22nd instance in the country in his case on 22nd instance in the country in his case on 22nd instance in the country in his case on 22nd instance in the country in his case on 22nd instance I pledge myself, if elected, to assist in removing the present Government from office, in order that it may be replaced by a body of men who shall address themselves more earnestly and honestly than they have done to needed reforms of administration.

I shall also use my best endeavors to promote, in every way possible, the interests of the Province in general and those of the County of Northumberland in particular.

I have the honor to be faith.

The country, instead of what he is, the very fact that he has received, as a free that it may be replaced by a body to make the very fact that he has received, as a free that it may be replaced by a body to make the province of New Brunswick, which has a tariff three or four times as oppressive as the highest which obtained before Confederation, does not pay its way, but in 1889 actually received \$80,000 more than it possible, the interests of the public. The other gentlement of this delegation to Fredericton no doubt played some part, but the country, instead of what he is, the very fact that he has received, as a free that it may be replaced by a body to do the province, a large steamer, costing the Government \$8,000—money that the few ryers in which his party was in the four years in which his party was in the four years in which his party was in the four years in which his party was in the four years in which his party was in the province of New Brunswick, which has a tariff three or four times as oppressive as the highest which obtained before Confederation, does not pay its way, but in 1880 actually received \$80,000 more than it power. It was certainly an honor as well but a people who pay at least \$651,000 as the Government \$8,000 more, in the four years in which his our ment, more than we receive. Indeed to this sum should be added about \$212,0 tions for sums improperly charged against this own free choice, according to his conthis Province, and it will be found that

away," was the poetical sentence since, and even gentlemen who were would not be able to make ends meet?— studied up, doubt for days, by the members of the provisional Board of There is not the slightest doubt that the Surveyor-General, as the impressive Directors, were entirely ignored in all sums that would be thus paid into the opening of his Masonic Hall speech on
