That well known and conveniently situated Mill Property formarly known as the DesBrisay Mill, situated at Clark's Cove, about one and a half miles above Chatham, on the south site of the Miramichi River. It has the advantage of the Miramichi River. It has the advantage of a convenient beom that will contain nearly two millions of logs safe from all weathers. The limit is something out of repair, not having been kept going for the past three years, but might be easily fitted up to do good work in a short time. It also possesses a deep-water Wharf nearly one thousand feet in length; has six dwelling houses—two fitted for two families. There is also shout twenty acres of cleared land, all under grass; a blackamith shop, carpentar's shop, a Retail Store, an Office, a large Farnhouse, two Barns and Stables. The Mill is fitted up with two Gates, Circulars and Trimmer, and will be sold cheap, the proprietor having decided to go out of the business.
