Woman's Dangers.

THE LIVES OF ALL WOMEN BESET BY SECRET TROUBLES.

A Simple and Certain Method by Which the Ills of Girlhood and Womanhood May be Overcome

Every woman's health depends upon her blood-its richness and its regularity times it is hard to believe that nearly all common diseases spring from the blood, no matter how different they may seem. It is hard, for instance, to realize that rheumatism and indigestion are both the cause of bad blood, and both cured by good blood. But there can be no doubt in the case of the secret troubles of a woman's life, from fifteen to fifty The blood is plainly the cause of all her irregularities in health. Then comes the signs of secret illness, the headaches, backaches and sideaches; the pale checks and dull eyes; the failing appetite and rritable nerves, the hysteria and billiousnessa

the weakness and langour: the distress and despondency and all the weary wretched feelings that attack women in their times of ill-health. And the blood is to blame for it all. When the blood is rich and red and regular, there is little trouble in the life of maid or mother. That is why Dr. Williams Pink Pills for Pale People are worth their weight in gold to every woman. They actually make new blood. Every dose sends galloping through the veins pure, strong, ich red blood that strikes at the cause of the secret ill-health. The new blood restores regularity and braces all the special organs for their special tasks. In this way Dr. Williams' Pink Pills banish the backaches and headaches, sharpen the appetite and the energies, soo he the n rves and bring back the rosy glow of health to faded cheeks. This is the special mission of Pr. Williams Pink Pills and there is no other medicine in the world can do it so successfully. Mrs. Geo Danby, of Tillbury, Ont., has proved the truth of these statements and says so for the benefit her experience may bring to other suffering women. Mrs. Danby says; "I think Dr. Williams' Pink Pills a blessing to sallering women. For a long time I was a great sufferer from the ailments which afflict so many of my sex. I was extremely nervous at all times, suffered a great deal with headaches and indigestion. In fact l was in a most miserable condition when I began the use of Dr. Williams Pink Pills, but after taking them a short time I began to improve, and through their further use I am altogether like a new woman. I am sure if more women would take Dr. Williams' Pink Pills they would be convinced of the great good they can do. What Dr. Williams'
Pink Pills have done for Mrs. Danby they can do for every growing girl and ailing woman in Canada, if they are given a fair and reasonable use. But you must make sure you get the genuine pills with the full "Dr. Williams' Pink Pills for Pale People" on the wrapper around every box. To be had from dealers in medicine or by mail at 50 cents a box or six boxes for \$2.50 by writing the Dr. Williams' Medicine Cr., Brockville' Ont.

Dep uty sheriff Foster, of Carleton county, was in Fredericton Wednesday evening on his way home from Little River, Sunbury county, where he has been searching for Wood Albright, who is wanted by the authorities for obtaining a horse, pung, and fur coat, from Woodstock and Houlton parties under false pretences. The horse and pung were recovered. Albright is about 23 years of age, and has been living at Monitcello, Me., for some time. He is now thought to be in the United States.

be in the United States.

William Redmond caused a scene in the House of Commons on Tuesday during a discussion on the subject of Chinese labor in the Transvaal, H. J. Custs (conservative) made a reference to the effect that Irish labor was responsible for corruption in New York, whereupon Mr. Redmond exclaimed excitedly: "You have no right to insult America: I will not allow it." The Speaker called Mr. Redmond to order, and other members protested, but still Mr. Redmond continued repeating his exclamation, and added "In America at 1 ast they do not appoint a Chancellor of the Exchequer who is not fit for his post," The Speaker again interferred and Mr. Redmond finally subsided with the remark: 'America seems to get on all right."

Book Free Fine

Asplendid new book—a work that will be receive it—has just been issued at a cost of over \$5000 by a distinguished specialist, a man famous in Europe and America for his noble scientific and humane work. Regardless of the great expense of publishing this work, its author will give away 15000 copies absolutely free of charge. The work could easily have made his fortune, had he placed it on sale. Casting away all thought of gain, he gladly offers it to the public as, a free gift, because he knows it will mean life to all who read its pages.

FOR years it author, Dr. Sproule, B. A.

He had discovered what all other searchers had long despaired of finding—an easy perfect, premanent cure for Catarrh. With no thought of rest from his arduous labors, he wrote this wonderful work on the cure of Catarrh. With no throught of the wealth it could easily win him, he now offers it man heart and soul in earnest in his great work of fighting disease, its lines fairly throb with purpose and truth. With skilful hand he lays bare the beginnings of this loathsome.

to all who read its pages.

FOR vears it author, Dr. Sproule, B. A.,
great philanthropists of North America, labored night and day to discover a perfect premanent cure for Catarrh. He sacrificed time energy and money to gain his end. Step by step he worked his way along new paths, outstripping his riyals on two continents.

At last his efforts were crowned with success!

free to all who ask for it.

THE information in its pages will save man heart and soul in earnest in his great work of fighting disease, its lines fairly throb with purpose and truth. With skilful hand he lays bare the beginnings of this loathsome treacherous disease—he traces all its hidden workings—he shows the awful danger to which it leads—he points out the way to a safe and lasting cure—the only one—of that terrible scourge of North America—Catarri. Fire pictures by the best artists illustrate the different phases of the disease and the various organs affected by it, in an exceeding clear and interesting manner.
