OBITUARY

Miss Caroline Joyce.

After an illness of a few months, the death of Miss Caroline C. Joyce occurred on the evening of 12th inst., at the residence of Mr. E. R. Machum, 111 Hildale, Westfield, where she had made her home for the past fourteen years. Miss Joyce was a sister of the late Mrs. Robert Stevenson of Douglas Avenue, North End, and will be well remembered by a large circle of friends amongst the older residents in that section of the city. She was a lady of very bright and cheerful disposition and held in high esteem by all who had the pleasure of knowing her.

Funeral service will be held at her residence on Wednesday morning at 10:30 o'clock and burial will be at Fernhill on arrival of the Boston train tomorrow.

New Glasgow, March 13.—George Forest McKay died today at the age of eighty-two. He was one of New Glasgow's earliest citizens and a most estimable citizen. He assisted in the founding of the Nova Scotia Steel and Coal Company, and was its oldest director. He was probably the most beloved man in the town and his death removes one for whom everyone had the deepest respect and admiration.

He leaves his wife, daughter of the late Rev. George Walker, D. D., and two daughters and one son. The former are Mrs. F. N. C. Starr and Mrs. W. D. Ross, both of Toronto. The son, George W. McKay, M. E., has been at home during the last few months.

The remains of Joseph R. Mullin arrived in the city on the Boston express from Portland, Me., at noon yesterday, accompanied by Walter Mullin, of Boston, brother of the unfortunate young man, and also Mr. and Mrs. William Burke of Boston. Just Apply This Paste and the Hairs Will Vanish
(Boudoir Secrets)

The judicious use of a delicate paste insures any woman a clear, hairless skin. To prepare the paste mix a little of the powdered delatone with some water, then apply to the objectionable hairs for two or three minutes. When the paste is removed and the skin washed, every trace of hair will have vanished. No pain attends the use of the delatone and it will not mar the most sensitive skin, but to insure results, see that you get real delatone.

BOOTH FISHERIES CO. BUYS MORE FACTORIES

Big Corporation Which Has Many Plants in Canada and the U. S. Gradually Extending Operations.

The Booth Fisheries Co., a continental wide corporation, with headquarters in Chicago, and branches in many parts of this country, including Chamcook, Charlotte county, and the United States, has purchased the sardine plants of the Lubec Sardine Co., at Bellisle, Lubec and North Lubec, Me. The Booth company has also recently purchased the large Grady factory at Eastport.

The Belfast plant is comparatively new, having been built in 1911, is well equipped and the Penobscot bay catch of herring has been satisfactory for the most of the time. It is also announced that the Booth company will probably build a cold-storage plant here, which will mean an expenditure of \$50,000 or more.

Manager Peacock and others connected with the Lubec company, will be retained by the Booth company, it is stated.

THREE WORTHY OBJECTS.

A special meeting of the Royal Standard Chapter, I. O. D. E., was held on Monday evening, when plans were made for the Self-Denial Day Canvass. This canvass is for three most worthy objects: The suffering, homeless and starving Belgians; the Navy, and the "Returned Soldiers." The

funds received will be equally divided for these three objects. The self-denial canvass will probably be held on Saturday, April 7th.

RETURNING TO ENGLAND.
J. Concannon arrived in the city a couple of days ago from South Africa, and has left for England, his native country. Mr. Concannon said that he left England sixteen years ago, and this is his first visit to the old country during that period.

Since the commencing of the war Mr. Concannon says, that he has been working hard at recruiting in South Africa, and was responsible in having six hundred men join the colors.
