### Who Wants to Raise a Camel?

Dry Note: According to Dr. Martin J. Potter, the New York Hippodrome animal man, prohibition—of something—has resulted in an almost total cessation of the importation of camels into the United States at a time when the drought-defying animals are most needed. Doctor Potter estimates that the total camel population of the United States cannot be more than 600 or 700, most of which are motion picture camels. As a result of the shortage the market on camels which used to be fairly steady at \$200 to \$250 each has advanced to \$600 for ordinary camels and \$700 to \$800 each for exceptionally large or well-trained specimens. As a way out of the present situation, Doctor Potter advocates the breeding of camels in the United States. The desert animals breed as well here as in their native country, Doctor Potter says.

### SPRING DEBILITY

Loss of Appetite, That Tired Feeling and Some of the Eruptions

Thousands take Hood's Sarsaparilla as their spring medicine for that tired feeling, nervous weakness, impure blood and testify it makes them feel better, eat and sleep better, and "makes food taste good."

Spring debility is a condition in which it is especially hard to combat disease germs, which invade the system here, there and everywhere. The white blood corpuscles, sometimes called "the little soldiers in the blood," because it is their duty to fight disease germs, are too weak to do good service.

Hood's Sarsaparilla increases the "little soldiers" and enables them to resist germs of every kind. It has stood the test of three generations, giving entire satisfaction. Get it today.

If a laxative or cathartic is needed take Hood's Pills.

### SUFFERED WITH BOILS LAST 5 YEARS

Boils are simply a breaking out of bad blood, and anyone who has suffered from them knows how sick and miserable they make you feel. Just when you think you are cured of one, another seems ready to take its place and prolong your misery. All this can be avoided by using Burdock Blood Bitters, the boils will quickly disappear, your misery is at an end, and health and strength come back again.

Mr. Robt. Johnson, Barkway, Ont., writes:—"I have suffered very much during the last five years from boils, having as many as five at once. I tried different remedies without any relief. I was advised to try Burdock Blood Bitters, which I did, and after taking just one bottle I have had no more boils."
