DISTRICT AND GENERAL

Peaches are a good crop in the Forest and Arkona districts.

The grape crop in the Niagara district this year promises to be the largest ever taken off there.

Norman, the two-year-old son of Alex. Eady, merchant, of Midway, fell into a pail of vinegar and was drowned.

Oil drillers from Petrolia will shortly commence operations in opening ten wells for oil and gas on Pelee Island.

Daylight saving repeal has been carried by the United States House of Representatives over President Wilson's veto.

Although potato tops make a fine showing the crop seems to be a failure. A Parkhill woman dug six hills and did not find one potato.

The Lockwood homestead, West Delaware, has been purchased by Edward Parker, late of London, England, who intends residing there.

Hay is bringing a record price this year. There is a great demand for it. Buyers were offering farmers \$20 per ton last Saturday, says the Strathroy Age.

Railway section-men at Detroit are demanding more pay. They now receive less than \$2.50 a day and ask \$1 more. A continent-wide strike is threatened.

Lumber prices will take another step skyward now, say the manufacturers. The scarcity and increased building operations in the cities is given as the cause.

When a man was arrested at Toronto for stealing 25 cents of whiskey the judge dismissed the case, holding a crime had not been committed, as whiskey is not property.

The King has approved of two new verses in a revised National Anthem. The so-called hate verse is omitted, and the new verses express the spirit of peace and friendship.

The prospects for tobacco in South Essex are such that the yield is expected to exceed that of other seasons. The price, it is predicted, will be the highest ever known in the county.

The barn of Oscar Welch of Zone township, a short distance from Thamesville, was totally destroyed by fire from lightning. The season's hay and grain, along with two young calves and about fifty hens, were lost in the fire. There was a small insurance.

A population exceeding 65,000 for London and suburbs will be shown by municipal statistics now in process of compilation. The city proper will have a net gain to a point above 60,000. The net increase within the city limits in the last two years was five thousand.

The large barn and contents of Egbert Reeves, a Southwold township farmer, was totally destroyed by fire, caused, it is believed, by a spark from a threshing machine engine which was working close by. About 4,500 bushels of newly-threshed oats and wheat were burned.

Strange things happen. There was a wedding (in Toronto) the other day, and the presents apparently were not numerous and costly, testifying to the high esteem in which the bride is held by her many friends. Some day there may be a wedding neither quiet nor pretty.

The Government announces an initial payment of \$2.15 per bushel on wheat. If the average market price exceeds that figure the Government will pay the farmer the difference, but if the average falls below the initial payment there will be no refund to the Government.

Predictions that the price of sugar will reach 20 cents a pound before the present "shortage" in Canada is relieved were made in Ottawa by delegates to the Canadian Wholesale Grocers' Association convention. The grocers blame the shortage on the recent seamen's strike in New York.

A large bank barn belonging to P. Ducey, near Lucan, was totally destroyed by fire with all the season's crops and several young cattle and fowl. The loss will be about \$7,000. It is believed to have started from a spark from a threshing engine. The loss is partially covered by insurance.

The township of Dunwich has granted a franchise to the Southern Ontario Gas Company, Limited, for the purpose of obtaining gas from the Hooley well, Dunwich township. This well was drilled and a flow of gas struck almost a year ago, but it has been capped since and its capacity is unknown. A gang of men are laying the pipe line now.

A meeting of delegates from Ontario municipalities was held in London on August 22 and 23, for the purpose of making some attempt to secure a uniform hydro rate. It is felt that as hydro power is a national institution a uniform rate should be established.

At present municipalities in the Niagara district have a lower rate than other places, which gives them better facilities for attracting new industries. Sir Adam Beck spoke and declared that he would be the first to favor a uniform rate if such were possible.

BASEBALL TOURNAMENT

A baseball tournament was staged at Glencoe on Wednesday afternoon of last week and proved to be quite an attraction, a large attendance being recorded. The competing teams were from West Lorne, Appin, Wardsville and Glencoe.

Play commenced shortly after one o'clock, Wardsville and Glencoe being the opposing teams. The former team was very weak in all departments of the game, being defeated by a score of 16-0.

Home runs by Dobie and Hicks were features of this game as well as the all-round good playing of the latter, he having a single, double, triple and home run in five trips to the plate, besides gathering in four difficult fly balls in his territory. The box score:—

WARDSVILLE	A	R	H	P	O	A	E
Brennan, r. f.	4	0	1	0	0	0	0
Babcock, 2b.	4	0	1	2	1	0	0

Score by innings:—
WARDSVILLE.....0 0 0 0 0 0 0—0
Glencoe.....1 5 1 3 3 1 1—16

West Lorne and Appin were opponents in the second game and the boys from the Ekfrid village had no difficulty whatever in winning, batting and fielding in great style. Thompson, pitching for Appin, had eleven strikeouts to his credit and allowed only four hits. McMaster starred with the stick, getting four hits including two home runs.

Score by innings:—
West Lorne.....0 1 0 0 0 0 1—2
Appin.....0 0 4 2 6 0 0—13

The third game brought together the winners of the previous contests and a close contest was expected. Each team scored three runs in the initial innings but Glencoe gradually pulled ahead of their opponents, and at the end of nine innings they were leading by five runs, the score being 12-7.

Davenport got six hits and three stolen bases, and Dobie and Hicks were again successful in hitting home runs. Hicks' home run was the longest hit made in Glencoe for a good many seasons, the ball clearing the north fence at the park. Score:—

A GLENCOE VETERANS' DAY

Last Wednesday was observed as Veterans' Day in Glencoe, advantage being taken of the ball tournament to make public presentation of cash donations to Glencoe's returned soldiers who had not hitherto been so rewarded.

The Soldiers' Aid Commission had the matter in hand, and at the close of one of the games seventeen recently returned men were called to the platform at the park. Reeve Wright read an address of welcome, and Mr. Currie, chairman of the Soldiers' Aid, and Rev. Mr. Charlton spoke briefly and to the point. The presentations were then made and three rousing cheers were given for our heroes. "Rule Britannia" and "The Maple Leaf" were rendered with spirit by the band.

DEATH OF MARK WALKER

The death occurred at his home on the farm adjoining Glencoe yesterday morning of Mark Walker, a prominent pioneer resident of this section, in his 77th year. Mr. Walker had been confined to his bed most of the time since February last when he fell and fractured his hip. The death of his wife a few weeks ago, at which time he was able to be about again, was a sorrowful event that proved a great setback in his illness.

Mr. Walker took a prominent part in public affairs, serving as a councillor in Moss for several years and as a member of the Glencoe public school board continuously for upwards of thirty years. He was one of the first members of St. John's Anglican church, in which he was always an active worker, and was in politics closely identified with the Conservative party.

The funeral service will be held in St. John's church on Friday at two o'clock, and interment will be made in Oakland cemetery.

CROP COMPETITION WINNERS

Melbourne, August 24.—R. H. Crosby of Markham was in this vicinity recently judging the white oats in connection with the standing field crop competition of the Melbourne Agricultural Society. The prize winners were as follows:—

- 1—Wm. P. Cornell, 92 points.
- 2—H. A. Fletcher, 90 points.
- 3—Mal. McNeil, 89 points.
- 4—Richard Eaton, 88½ points.
- 5—Fred Eaton, 88 points.
- 6—G. Hyndman, 84½ points.
- 7—Chas. B. McLean, 83½ points.

MOSA COUNCIL

The regular meeting of Moss council was held at Newbury on August 16. Members all present. The minutes of the last meeting were read, approved and signed.

Watterworth-Morrison—That the township of Moss present to each soldier that went from this township overseas a gold medal and to each soldier in the line of duty that did not go overseas a bronze medal. Carried.

Gardiner-James—That the petition to have the McRae award drain changed to a municipal drain be accepted and that the engineer be instructed to make an examination of said drain and report to this council. Carried.

James-Morrison—That the petition signed by Stephen Kelly and others requesting that a drain be constructed to drain the area described in said petition be accepted and the engineer requested to make an examination of the area described and report to the council. Carried.

Reycraft-James—That the council adjourn to meet at Glencoe on Sept. 20 at 10 o'clock a.m. Carried.

C. C. McNAUGHTON, Clerk.

DR. ANDERSON DEAD

Word has been received by J. C. Cowan of the death on August 20 at his residence in Detroit of Dr. Charles Anderson.

Dr. Anderson was born in Caradoc, where he lived until he took up the study of medicine. He practiced medicine for the last twenty-five years in Detroit, where he attained considerable prominence in his profession. He
