BRIDGES

Sealed tenders are hereby requested on behalf of the Corporation of the County of Hastings, up to

Friday noon, the 12th June, 1903.

with plans and specifications, for a steel overhead Truss Highway Bridge to be erected over the Scoot river at Bridgewater, about five miles north of Tweed.

The bridge to be one span one hundred feet long from pin to pin, with roadway sixteen feet wide in the clear, steel joist and 5 inch cedar covering with wheel and hub-guards.

The bridge to carry a moving load of 125 pounds, at least, to each square foot of floor area.

The abutments for this bridge will be ready by the 31st October, 1903, and the bridge must be completed thereon by the 15th November following.

Payment made when the bridge is completed and accepted.

Also separate tenders are desired, at the same time, with plan and specifications, for a low-truss Steel Highway Bridge to be erected in Madoc Village.

This bridge to be one span forty-three feet long with roadway 16 feet wide in the clear, steel joist, with wheel and hub guards and a side-walk 4 1/2 feet wide on the west side of the bridge, outside of truss properly constructed.

This bridge to carry a moving load of 125 pounds to each square foot of floor area.

The abutments for this bridge will be ready by the 15th day of October, 1903, and the bridge must be finished by the first day of November following.

In a tender for this Madoc bridge state price with 5 inch cedar covering; and also separate price for the bridge finished with concrete floor or covering in the place of cedar covering.

Payment made when the bridge is accepted.

The lowest and any tender not necessarily accepted. Address,
WM. R. AYLESWORTH,
County Clerk,
Belleville, Ont.

June 15th, 1903.

TENDERS

—FOR—

SEWERS AND WATER WORKS

Sealed tenders, addressed to Chas. McMillan, City Clerk, Calgary, and endorsed "Tender for Sewers," will be received up to noon on WEDNESDAY, JUNE 10TH, 1903, for laying about 12,500 lineal feet of Tile Sewers and about 9,000 lineal feet of cast iron water pipe.

Plans and specifications may be seen at the office of the City Engineer, Calgary.

The lowest or any tender not necessarily accepted.

F. W. THOROLD,

City Engineer, Calgary.

JAS. HORNBY,
Chairman Public Works Committee,
Calgary.

STREET LIGHTING TENDERS

Sealed tenders, addressed to the undersigned, and marked "Tenders for Lighting," will be received at this office until MONDAY, THE FIRST DAY OF JUNE NEXT, for the Street Lighting of the City of Fredericton, N.B., for the term of ten years, from the eleventh day of October, A. D., 1903.

Tenders to be for sixty-two (62) open arc 1200 candle power Electric Lamps and for additional lamps as required by the City Council, or may be for 1200 candle power enclosed arc lights. (to burn on an alternating circuit).

The service to cover as large an area as is now lighted under existing contract, and lamps to be placed at or near where now situated, and other lamps to be placed, at same rate, when required by the City Council. The complete equipment to be furnished by the tenderer, including poles of the required height.

Tenders to state price per lamp per year for every and all night service. Also for lighting under what is known as the "Moon-light Schedule". An accepted Bank cheque, payable to order of City Treasurer of City of Fredericton, equal to twenty per cent. of the amount of the tender for one year's lighting, must accompany each tender. The cheque will be forfeited if the party tendering decline the contract, or fail to be ready to undertake the lighting at the time above stated, or will be returned in case of non-acceptance of tender.

The City Council does not bind itself to accept the lowest or any tender.
By order of the City Council of the City of Fredericton.

CHAS. W. BECKWITH,
City Clerk.

WANTED BY THE TOWN OF GODERICH
