MEDICAL TESTIMONY CANNOT BE CONTROVERTED.

One of the most startling cases is narrated of Dr. M. Land's Vermifuge by Dr. John Butler, of Lowell, Trumbull Co., Ohio. The case was that of a young lady who had been very sick for eight years, and had consulted a number of physicians, who had treated it as one of Prolapsus Uteri. Dr. Butler was then called in, and for a time believed with his predecessors that it was a case of Prolapsus. He was, however, soon forced to the conclusion that his patient was suffering from worms, and after much persuasion prevailed upon her to take two doses of Dr. M. Land's Vermifuge. Prepared by Fleming Bros. of Pittsburgh. This medicine had the effect of removing from her a countless number of the largest size. After she passed them, her health immediately returned. She is since married, and continues to enjoy excellent health.

Purchasers will be careful to ask for DR. M. LAND'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS. of Pittsburgh, Pa. All other Vermifuges in comparison are worthless. Dr. M. Land's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. None genuine without the signature of—

Holloway's Ointment and Pills a certain remedy for Erysipelas.—Thomas Hilton, of Toronto, was a most severe and hopeless sufferer from this powerful and irritable disorder for upwards of four years, which rendered him absolutely pitiable. Large purple blotches came all over his body, and made him a complete object of horror to himself, as well as to all his friends. He consulted many medical men, in the hope of being benefited, but without success. Determined not to be baffled, and in spite of what the faculty had told him, he determined as a last resource, to commence using Holloway's Ointment and Pills, these two remedies, used conjointly for a short space of time effected a perfect cure, and he now enjoys the most robust health, after years of intense suffering.

NOTICE TO THE PUBLIC.

MUCH disappointment and inconvenience having been experienced by the public, in consequence of the Mail for England having been closed at 8, instead of 9 p. m., on Thursday last—the Royal Mail Steamer from Boston having been reported at an earlier hour than usual—it has been considered desirable, to prevent a re-occurrence of this disappointment, to change the hour of closing the English Mail at this Office.

Commencing, therefore, on THURSDAY next, the 21st inst., the Mail for England, will, by directions of the Government be finally closed, for the receipt of letters at the window at 8 P. M. instead of 9 P. M. as heretofore.

Letters, &c., for England which may be dropped into the Box after the hour of closing, and up to the arrival of the Packet, will be forwarded in a bag, loose—but the Public are requested in all practicable cases, to post their correspondence in time to be made up in the Regular Mail, and thereby insure greater security.
