Baptist Church, Philadelphia:-I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendations will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is 'not a rum drink.'—Yours truly,

LEVI G. BECK.

From the Rev. Jos. H. Kennard, Pastor of the 10th Baptist Church :--

Dr. Jackson - Dear Sir-I have been frequently requested to connect my name with commendations of different Linds of medicines but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various stances, and particularly in my family, of the usefulness of Dr. Hoofland's German Bitters, I depart for eace from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause. Yours, very respectfully, J. H. KENNARD,

Eighth below Coates Street, Philadelphia.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penn. Dr. C. M. Jackson-Dear Sir-Personal experience

enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefited by the use of the Bitters, and doubt not they will produce similar effects on others .--Yours truly,

From Rev. J. H. Turner, Pastor of Hedding M. E. Church, Philadelphia. Dr. Jackson-Dear Sir-Having used your German Bitters in my family frequently, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge .-- Yours, respectfully,

From the Rev. J. M. Lyons, formerly Pastor of the Columbus [N. J.] and Milestown [Pa.] Baptist

New Rochelle, N.Y. Dr. C. M. Jackson -Dear Sir--I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recom-mended them to persons enfeebled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. COE'S SUPER-PHOSPHATE OF

LIME. MR. OOE has received the following letter from the Reverend Mr. Paplneau, of the Bishop's Paluce, Montreal :-

Montreal, March 2nd, 1864. Sir, Having been appointed Superintendent, last Spring, of the garden attached to the Bishop's Palace Montreal, I applied to our esteemed Seedsman, Mr. Evans, for a few poinds of Coc's Super-Phosphate of Lime, in order to judge personally of its fertilizing effects as a manure, and to satisfy myself whether it really deserved the high reputation in which it was commonly held. [I generally distrust the reliability of widely advertised articles ] But now. Sir, I deem it my duty to assure you that the success of the Super-phosphate greatly exceeded my anticipations, and that I believe it to be superior even to its reputation. I planted a piece of very dry, hard and barren land with potawes and Indian corn, manuring a portion with stable compost, another portion with common kitchen salt, and the remainder with the Super Phosphate of Lime. The crop gathered from the plot manuted with this latter substance was far more abundant, and was taken out of the ground fully ten days earlier than the crops manured with compost and salt. I have used the Super-Phosphate with equal success on onions, cabbages, beans and peas.
The Super-Phosphate of Line, in my opinion, is one of the most powerful and economical fertilizers known for the cultivation of gardens. It does not force all sorts of nuxious weeds into existence like stable manure, but on the contrary, imparts rapidity of growth and vigor to the useful herbs. I cannot recommend it too highly to gardeners and others, convinced as I am that they will be well pleased with it.

Allow me to thank you, Sir, for the powerful fertilizer you sent me, and believe me to be, Sir,
Your very humble serrant,
T. V. PAPINEAU, Priest.
