

Its cost is about \$325, and additional uniform necessary on promotion to Midshipman after 12 months' service is about \$100 extra.

On reaching the rank of Sub-Lieutenant, an Officer is required to provide himself with the uniform of a Commissioned Officer, and parents should be prepared to assist their son to the extent of about \$250 on his promotion to Commissioned rank at about 21 years of age.

(iv) *Private Allowance*.—Parents will be required to make on behalf of the Cadet a private allowance at the rate of \$250 per annum, from the time of joining the Naval Service until he reaches the rank of Midshipman (i.e., for approximately 12 months).

This allowance will be utilized to provide for all necessities incidental to the Cadet's training, e.g., purchase of books, entertainment, etc., and will, in no way be a personal allowance to the Cadet himself.

Private allowance, together with the Cadet's pay of 25c. a day, and the allowance for messing, should normally be sufficient to meet his expenses other than clothing, travelling expenses, and expenses when on leave, but should this not be the case, the deficit, which would probably be of small amount, would be chargeable to the parent.

General.—Parents may authorize their sons to receive additional private allowance whilst in the Training Ship for sightseeing, personal purchases ashore, etc. (\$5 a month is suggested).

It is undesirable that young Officers should have the control of large sums of money, and arrangements can be made for travelling expenses and any money which may be required for any special circumstances, to be advanced by the Accountant Officer of the Officer's Ship, with the authority of the Commanding Officer, and recovered from the parent.

On promotion to Sub-Lieutenant, an Officer should be able, with reasonable economy, to meet all his expenses, out of his pay.

10. Cadets will be paid 25c. a day from the date of entry until they become Midshipmen, after which date they will receive pay and allowances of Officers of corresponding rank in the Royal Canadian Navy.

NOTE.—The daily pay of Executive Officers of the R.C.N. is as follows:—

Midshipman, \$2; Sub-Lieutenant, \$4; Lieutenant, \$5 to \$6; Lieutenant Commander, \$7.50 to \$8.50; Commander, \$10 to \$13; Captain, \$15 to \$18.75.

Midshipman (E), \$2; Sub-Lieutenant (E), \$4; Lieutenant (E), \$5 to \$6.75; Lieutenant Commander (E), \$8.50 to \$9.50; Commander (E), \$11.25 to \$14.25; Captain (E), \$15 to \$18.75.

Additional allowance is paid to Lieutenants who specialize in Gunnery, Torpedo, etc., and allowances for the responsibilities of command and entertaining are authorized for Commanders and Captains under conditions specified in the regulations.

II. PAYMASTER CADETS

Paymaster Cadets are entered in the Royal Canadian Navy periodically, according to the requirements of the service, under the conditions specified in the following paragraphs.

2. (i) *General qualifications*.—Candidates must be British subjects of pure European descent who have resided, or whose parents have resided in Canada for two years immediately preceding the date of entry. Short periods of absence in Europe for purposes of education will be considered as residence. In doubtful cases, the burden of clear proof will rest upon the candidate.
