That the following Address be presented to His Excellency the Governor General to offer the respectful thanks of this House to His Excellency for the gracious Speech he has been pleased to make to both Houses of Parliament: namely:—

To His Excellency the most Honorable Sir Henry Charles Keith Petty-Fitzmaurice, Marquess of Lansdowne, in the County of Somerset, Earl of Wycombe, of Chipping-Wycombe, in the County of Bucks, Viscount Cain and Calstone in the County of Wilts, and Lord Wycombe, Baron of Chipping-Wycombe, in the County of Bucks, in the Peerage of Great Britain; Earl of Kerry and Earl of Shelburne, Viscount Clanmaurice and Fitzmaurice, Baron of Kerry, Lixnaw and Dunkerron, in the Peerage of Ireland; Knight Grand Cross of the most Distinguished Order of Saint Michael and Saint George, Governor General of Canada.

MAY IT PLEASE YOUR EXCELLENCY:—

We, Her Majesty's dutiful and loyal subjects, the Senate of Canada in Parliament assembled, humbly thank Your Excellency for your gracious Speech at the opening of this Session.

We rejoice that Your Excellency on meeting us again has the pleasing duty to perform of congratulating us on the sufficient harvest of last year and on the prosperity and substantial progress of the country.

We are glad to learn from Your Excellency that since the suppression of the insurrection in the North-West Territories peace and order have been restored and now prevail. After so serious an outbreak some disquiet and apprehension of the recurrence of those disorders may naturally be expected to linger, and we respectfully concur in Your Excellency's opinion that it will be the duty of your Government to make such precautionary arrangements as will assure the present inhabitants, as well as intending settlers, of efficient protection against all disturbance.

It affords us great pleasure to receive Your Excellency's warm congratulations on the practical completion of the Canadian Pacific Railway, and on the announcement that it will be open for the daily carriage of passengers and freight from Ocean to Ocean, in the month of June next. This great work, so important alike to the Empire and the Dominion, cannot fail to increase the trade between British Columbia and the other Provinces, to ensure the early development and settlement of Manitoba and the North-West, and greatly to add to the commercial prosperity of the whole country.

We learn with much interest that should the negotiations between Her Majesty's Government and that of the United States for the appointment of a Joint Commission to adjust what is known as "The Fishery Question," and to consider the best means of developing our International Commerce, fail to secure any satisfactory result, we shall be asked to make provision for the protection of our Inshore Fisheries by the extension of our present system of Marine Police.

We thank Your Excellency for informing us that the measures submitted to us last Session for the consolidation of the Statutes and for the introduction into the North-West Territories of a more simple and economical system for the transfer of land, will be again laid before us for consideration and legislative action, and that the Acts of last Session will be found to be included in the first of these measures.
