Editor's Talk

NEXT week's issue will be our fourth annual Travel Number. Those who are thinking about their holidays will want to read it; those whose noses are so close to the grindstone that they have not yet thought of holidays ought to read it. It will breathe the spirit of the wild woods and the lake shore.

Are you saving the Heming full-page pictures? The forty will make a splendid portfolio of Canadian life. Nothing equal to them in character or art value has ever been given to Canadian buyers of periodicals. If you have missed one of them, we will freely supply the missing copy.
