Early Childhood Educator to Lecture at UNB

A renowned early childhood educator will discuss teaching and learning in the primary grades on Thursday, Jan. 30, at the University of New Brunswick in Fredericton. Lillian Katz of the University of Illinois will give a free, one-hour public lecture entitled Developing Dispositions, at 12:30 p.m. in the Dugald Blue Auditorium, Marshall D'Avray Hall. She will discuss the challenge of helping students develop the dispositions to apply what they learn. This lecture is part of the Early Childhood Education Lecture Series sponsored by the Early Childhood Centre in the UNB faculty of education and by the new Brunswick Department of Education. For additional information, contact Joanne Morin at the Early Childhood Centre, 453-3500.

Narcotics Anonymous

Think you may have a drug problem? We at narcotics Anonymous can help. We have been there! The Living Straight Group of N.A. meets at 7:00 pm every Sunday at the I.O.O.F. Hall, corner of Brunswick and Carelton St. (2nd floor, use Brunswick St. entrance). All those who are interested are welcome to attend.

The TM Program Comes to Campus

In the last 30 years, over three million people world-wide have learned the Transcendental Meditation (TM) program. More than 350 scientific research studies performed in 27 countries demonstrate that the practice of TM profoundly benefits mind, body, behavior, and environment. In students, TM has been shown to improve academic performance, develop creativity and intelligence, increase learning ability and improve self-concept. There will be a free introductory lecture on the TM program on Tuesday, February 4 at 12:30 P.M. in MacLaggan Hall, Room 16. All are welcome to attend.

Sunday Night Live - Church with a twist?

Are you sick and tired of traditional church services? Well, so are we, so the Baptist youth of Fredericton have done something about it. At Sunday Night Live, we've replaced the stiff hymns with new, contemporary music and exchanged the sermon for dramatic skits. If you believe that there's got to be another way to worship, then try Sunday Night Live, at Greenwood Drive Baptist Church, on February 2nd at 6:00 pm. Come join us. Be open - minded. We guarantee you won't be bored.

Research Celebration Series

Statistical Consulting Service

The U.N.B. Applied Statistics Centre commenced operating a drop-in statistical consulting desk on January 16, 1992. The desk is staffed by Debbie Dupuis a Ph.D. student in Statistics with a very strong background in the subject. The desk is located in Tilley 431 and is opened from 1 p.m. to 3 p.m. each Thursday throughout the winter term.

Graduate students and faculty members whose research involves statistical analysis are strongly encouraged to come along and discuss the statistical aspects of their work with Ms. Dupuis. Help is available in the designing of experiments and with the analysis and interpretation of the results.

If these hours are not convenient, you may set up an appointment with other members of the Applied Statistical Centre by calling extension 4768 during regular office hours
