

Not a question of upholding the rights of minorities.  
 " " " " " " " " " majorities.  
 But " " " " " " " " " foundations of government itself; the  
 existence of parliament as a law making body.

It transcends all questions of party:  
 - the appeal is to all who love liberty and freedom to defend  
 the one institution which is the *foundation* of all our liberties.  
~~What is meaning of obstruction~~  
 NOT a question of obstruction.
