

and the omission by you of any allusion to Lots 17 and 19 in the 17th Concessions, E. B. Easton, or to the License to Mr McMillan covering those Lots, appear to have been done with the intention of misleading the Department. Your conduct also in releasing the Pine timber which you knew had been cut in trespass by Mr McMillan without having communicated with, and without having been authorized by, the Department to do so, was most improper.

I have also to remind you that you failed to inform the Department of any of the circumstances connected with these most irregular proceedings.
