Sir,

I have to acknowledge the receipt of your letter of the 24th ultimo relative to the new school building at Metlakahtla; and in reply I beg to say that while the Department approved of the suggestions made by the Acting Agent with reference to the proposed building, it was intended that your recommendation should taken precedence. A second stair-way should, therefore, be provided.

Your obedient servant,

Secretary

A. W. Vowell, Esq.
