

For blood stains soak and wash in cold water; when brown rub with soap and warm water.

To remove mildew wet the cloth in soft water and then rub on plenty of soap and salt and hang on line in the sun and air for a day or two. This is an infallible recipe.

Use a teaspoon of alum to a quart of water in starching calicos and gingham to keep the colors bright and fresh.

Sweet stains should be subjected to a very strong soap solution and allowed to lie in the sunshine.

Fruit stains may be softened with alcohol, then pour on boiling water.

To get the best results in washing, soak clothes over night in cold soft water. This will make your washing easy and your clothes white and stainless.

In preparing turkeys for the oven cut the black skin at the joint or just below it and you will see the cords exposed. Take hold of these with your finger and pull out. This is called cording turkeys and unless you have tried it you have no idea of results.

A hot iron pressed on old putty or boiling water poured on the same will make it easy to remove.

A few drops of alcohol rubbed on the inside of lamp chimneys will remove all trace of greasy smoke when water alone is of no avail.

Pumpkin seeds are good bait for mice.

To take milk or cream spot out, make a lather of white soap in cold water. Wash out in cold water and rinse.

BREAD AND ROLLS—(Supplementary).

CREAM SCONES.

Sift together 2 even cups of flour, 3 even teaspoons baking powder, a little salt, work in 4 dessert spoons of butter, 2 well beaten eggs, $\frac{1}{2}$ cup of thin cream or good milk. Mix to a dough. Turn on a flour board and roll $\frac{3}{4}$ inch thick, cut in shape, pick with a fork, brush with white of egg and sprinkle with sugar and bake in a hot oven 15 minutes.—
