

Your branch is requested to submit any suggested design for badge at the Convention in September, when it is to be hoped the Committee on that subject will have quite a number to choose from in making a recommendation to the Delegates in Convention.

### **Notices in Post Offices**

Would you recommend the Association asking the Dominion Government to instruct the Post-Masters throughout the Province of Ontario to place conspicuously in the Post-Office the Game Laws and Fishery Regulations, when provided with the same by the Ontario Government or the Association.

### **Reciprocal Arrangements with United States**

1. Do you favor a reciprocal arrangement with the United States looking toward a restriction of the shipping of fish and game illegally captured in the Province, into the United States or from the United States into Canada?
