

# SCENERY

With a view to obviate, as far as possible, the great difficulty amateurs experience in obtaining scenery, we have endeavoured to cope with the situation by providing

which can be easily mounted on canvas or calico (as canvas is so expensive at present), and then framed on woodwork. As all amateurs will have discovered, the expense of hiring or buying painted canvas scenery is very considerable, but by printing large quantities we can sell outright at a rate comparing favourably with that usually charged for the HIRE of painted canvas scenery.

The primary object we have had in view has been to provide scenery which, by easy adjustment and additional sheets of lithographed paper, can be made to fit any reasonable size of stage.

Any questions on the subject of our scenery will be gladly and promptly answered, and if the particulars of your stage—the height, the width, and depth, together with the position in which you require the doors, fireplace, or windows—are forwarded, we will submit you an estimate of the cost, either for the paper alone or mounted on calico.

The framework of wood can be very easily constructed by any local carpenter or can be supplied by us. We shall be pleased to quote prices upon receiving details.
