

- Bouvardia Alfred Neuner**; double white, 25
President Garfield, pink, 50
- Clematis**. By great perseverance the Florist has made this class of climbing plants to be one of the most popular house and garden ornaments. I hold one of the finest collections in America, from 30 cts. to \$1.50 each. See *General Catalogue*.
- Chrysanthemums**; large flowering and pompon. 12 fine varieties, 1 00
Frutescens, and Segatum Grandiflora, 10 and 25 cts.
- Carnations**; extra fine sorts, plants from 20 to 50 cts. each.
- Calceolaria Bugosa**; in varieties, 15
Glutinoso. A pretty and distinct variety from Chili, with lacinated leaves and bright, lemon-colored flowers, 25
- Coleus**. All the best of foreign productions; and many raised in this establishment are unsurpassed for beauty and distinctiveness of color. Newest and best, per dozen, 1 50
Older sorts, 1 00
- Calla Hastata**; (yellow calla), 1 00
- Cobea Scandens Flore Albo**; a very rapid-growing climber, bearing large cup-shaped, white and greenish yellow colored flowers, 25
- Dahlias**. Showy, fancy and pompon, all with finest double flowers. Can't be beat.
12 distinct sorts, 1 50
Single (or, Esthetic). These have become exceedingly popular during the past three years, and the demand is increasing. They are much worn, and are very useful for all kinds of decoration, 6 distinct sorts, 1 00
- Digitalis Maculatus**; an old but much improved garden plant, per dozen, 1 00
- Dianthus Heddiwegi Hybridus**; a much improved form of Heddiwegi, each, 10c.; per dozen, 1 00
Diadematus Plenissimus; a gay and beautiful form of imbricated pink, per doz. 1 00
- Delphinium Chinense**. A beautiful species, with racemes of rich sky-blue and various shades of colors, per dozen, 1 00
- Eucalyptus Flicifolia**. A beautiful new crimson-flowered, low-growing species (compared with others of this family) of rapid growth, and is soon covered with magnificent trusses of crimson-colored flowers, each 75
Marginata; a fine, easily-grown ornamental plant, 50
- Fuchsias**: **Avalanche** (H), Boliviana, Earl of Beaconsfield, Dr. Kitto Giddings, Fireworks, Grand Duchess Maria, Kingsburyana, Miss Lucy Finnis, (this last is identical with Madame Vanderstrass), Mrs. Huntley, Resplendent, White Souvenir de Chiswick. These now named cannot be surpassed in their respective classes.
6 of these (H. H. selection), 1 00
See *General Catalogue*.
- Gymnogramma Schizophylla**. One of the finest Ferns ever introduced. I hold one of the largest stocks of this lovely plant in the trade. Words fail to convey its beauty. As a basket plant it is unsurpassed. Requires a temperature from 45 to 65 deg., each 1.00 to 1 50
- Geraniums** (Single). From my very extensive collection, I beg to offer a selection which, for quality and distinctness, cannot but give the greatest satisfaction. Col. Seely, Dr. Denny, Eclair, Ellen, Erckman Chatrain, Fanny Catlin, Ivanhoe, Illustre Cityon, Jenny Dodds, Yarmouth, Oct. 30, 1882.

Mr. Harris, Dear Sir,—I am much obliged for your promptness, and think they are very nice Plants.

Very truly yours,
H. WEBSTER.
