## TELEPHONE JUDGMENT

The injunction case of the town of Fort William against the Bell Telephone Company was held recently before Mr. Justice Teetzel at Port Arthur. This case was entered last February by the town. The court ordered that the case be dismissed; the plaintiffs shall not, until judgment has been pronounced by the final appellate court, to which the action of the corporation of the city of Toronto, against the Bell Telephone Company of Canada, Limited, now pending, may be carried; or such action shall otherwise be disposed of, bring action or take any proceedings to interfere with the erection of poles or the stringing of wires by the defendants in the said town, or the erection or use of any other appliances permitted by their charter and necessary or convenient for carrying on the business of defendants in the said town. The court ordered that the plaintiffs pay the defendants one dollar damages for loss sustained by reason of the injunction orders granted; and also pay to the

defendants their costs of this action, including the costs of Feb. 17th, 1903, and Feb. 19th, 1903, and of the motion and order permitting the defendants to deliver their statement of defence, June 19th, 1903, as between solicitor and client forthwith after taxation.

## DANGEROUS SPOT

"Before some fatality occurs," remarked John Milner, of Harvey street, to a Planet reporter this morning, "there should be something done to prevent the boys from swimming at the foot of First street, the place known to the boys as 'sandy bottom.' Last season this was a rather shallow spot and the youngsters could wade out a little. Since, however, it has been dredged and is very dangerous. Within the past month my boy has saved the lives of two young lads, one of whom had to be felled on the ground to get the water out of him."

"There will be someone drowned there sure if nothing is done by the proper authorities," concluded the speaker.

## THAMESVILLE DISCIPLINED.

Stouffville, July 4.—(Special).—President Lennox of the C. L. A. has suspended the certificates of Higgins, Hardy and Sherman, of the Thamesville lacrosse team, for rough play and rowdiness at Thamesville on July 1 in the game with Chatham. This action was taken this afternoon by President Lennox. These players will remain suspended until the C. L. A. Executive sees fit to reinstate them.

The report of F. M. Knight of Blenheim, referee of the match, to President Lennox, was as follows:

"Your telegram of to-day re Chatham-Thamesville match to hand. The game was called on the Thamesville grounds at 10 a. m. In the first part of the game Gray, of Chatham, and Hardy, of Thamesville, got into a mix-up, and Hardy deliberately struck at Grant. I put both off for five minutes. Near the end of the third quarter Grant and Hardy again came together, and a clinch ensued, players falling on the ground, with Grant on top. I do not think Grant was to blame in any way. While the two were on the ground, Sherman, of Thamesville, struck Grant several times on the back, and then a terrific blow on the head with his stick. Fetterly, of Chatham, tried to protect Grant, and grabbed Sherman and held him. The spectators rushed on the field and a general melee ensued. I ruled Hardy, Sherman, Grant and Fetterly off for five minutes. We started again. Higley, of Chatham, got in front of Hardy, and then he deliberately struck at Higley several times, but Higley, without returning a blow, managed to elude Hardy's attack. The crowd rushed on the field and grabbed Higley by the hair, dragged him from the field and forcibly ejected him from the grounds. Another general fight ensued. I ruled Higley off for three minutes and Hardy for the remainder of the game. Higgins and Hardy, both of Thamesville, then attacked me, but I was protected by some of the better class of spectators. I gave Higgins three minutes to clear the grounds and line up. This they refused to do and proceeded to jangle. The Chief of Police then ordered the game off. The score at this time was 5 to 2 in favor of Chatham. I declared Chatham to be the winners. The players of Thamesville, Hardy, Higgins and Sherman entirely to blame, and they should be ruled out of the game, the foul language they used being enough to disgrace them, had they not proved themselves unsportsmanlike in other ways. I may say that Chatham got the same reception on the Thamesville grounds on July 1, 1902."

## SHAMROCKS HOLD THE CUP.

Montreal, July 4.—(Special).—What the Shamrocks had in the matter of the world's championship, is represented by the Minto Cup, but they have to say to Brantford as Dr. Drummond's soldier in South Africa said of Lord Paul, "You're a good fellow, but you're not a champion." The Shamrocks Association couldn't get the trophy away, but they scared the Shamrock crowd half to death, and after to-day's match was well on the followers of the green and white, who only the previous Shamrock luck on which to base their hopes of retaining the championship. The Brantford team led on the game on the ground and playing the Shamrocks off their feet, and a continuance of such brilliant play displayed in the early stage would have made the champions look like juniors, but they didn't concede. Instead, they played hard, and at the end the Shamrocks were doing to them what they did to the champions earlier in the afternoon.

To-day's game was played under C. L. A. rules, and was won by the Shamrocks by 4 to 2, whose total was 12 to 8 on the ground. The weather was fine and the crowd occupied every portion of the accommodation at the Shamrock grounds out at Mile End. The attendance was probably over 9,000, and the receipts for the two games must have amounted to about \$9,000, which is divided equally between the clubs after the expenses are taken out.

## WALLACEBURG HERE THURSDAY

President Lennox, of the C. L. A., has ordered the game between Wallaceburg and Chatham to come off here on Thursday next and has cancelled the Rodney-Chatham game for that date. Young, of Rodney, will referee the game. This will be the game of the season and Chatham will turn out in mass to see it. The locals had a practice Saturday evening and will likely be out every evening till the game.

The Ridgeway lacrosse club will likely play the local intermediates here on Wednesday next.

The Thamesville juniors play the local juniors to-morrow afternoon at 3:30 o'clock sharp.

## BURGLARS AT WATERLOO.

Waterloo, July 6.—The Grand Trunk station office was broken into here about 3 a. m. on Saturday. ## DROWNED THE HUSBAND.

Little Girl's Story Against Her Mother.

Ottawa, July 6.—Mrs. Lalonde and a man named Desrosiers were arrested by the Ottawa police in consequence of queer reports in circulation. The woman and her husband formerly lived on St. John's Island in the Georgian Bay, and Desrosiers was a boarder with them, taking out in board a debt that Lalonde owed him. The Lalondes had a three-year-old child, and the little one is alleged to have stated that while crossing to the mainland her father was thrown overboard and drowned. The police were unable to obtain any further evidence to justify them in detaining Mrs. Lalonde and Desrosiers, but are looking into the matter.
