

chases in charge seemed pleased with the horses submitted for inspection. The buying of remounts in Canada has settled down to a regular staple line. The representatives here have apparently received orders from the War Office to buy as many suitable horses as they can get. There are now three groups of officers buying in as many different districts. Col. Dent, the chief, is in the Northwest; Major Gore in Quebec and the Eastern Provinces; and Captain Maudsley and Major Rowe in Ontario. They are buying horses in the whole Dominion at the rate of about 100 a day or 3,000 a month. This has strengthened the market considerably, and farmers are asking higher prices. Only good horses are wanted. The regular trade is about as usual. There is quite a demand for useful business horses. A car load of Indian ponies, consigned by the Hudson's Bay Company, will be sold at Grand's this week.

Old Ladies Are Privileged to Wonder.—“How long does the train stop here?” the old lady asked the brakeman.

“Stop here?” answered the functionary. “Four minutes. From two to two to two-two.”

“I wonder,” mused the old lady, “if that man thinks he is the whistle?”

THE WALKERTON BINDER TWINE CO. LIMITED

Is composed of 5,527 of the most progressive **FARMERS** of Ontario, 95 per cent. of the stock being owned and controlled by them. We are manufacturing a superior article of Binder Twine, and selling it at the lowest possible price. We make three grades, containing 550, 600, and 650 feet respectively, the prices for which are 9½, 10½, and 11½ cents per lb., delivered at the customer's nearest station.

All accounts are payable by the 1st October, and we allow an additional quarter cent a pound off to those who pay cash on delivery. These prices and terms are exceptionally favorable, and it is expected that our friends, and all others who want an article that they can depend upon in the harvest field, where the true test is made, will place their orders early. If there is no agent in your locality, send to us direct.

Remember that this is a co-operative company, and any profits that may accrue will be distributed to the shareholders. There are no speculators to gobble up the profits in the **WALKERTON BINDER TWINE CO.**

We ask you to give us a trial, confident that the result will be satisfactory, and lead to extended business with you in future years. **We are here to stay,** and it would be folly for us to expect your patronage unless we give you entire satisfaction. When ordering your twine for this season's harvest, don't forget that we have the best and finest plant in Canada, and that we are turning out a very superior article at a small margin over the cost of production.

All inquiries will be promptly attended to, as we are always glad to give full information to our friends and patrons.

We expect to be able to fill all orders; but, in order to prevent possible disappointment, we would recommend that orders be sent in at the earliest convenient date.
