De Laval Cream Separators

September 1st

THE DE LAVAL COMPANY will take direct charge
of the business of Ontario in its machines
and accessories, and will be in
charge of the business of the Dominion of Ontario.

75 and 77 York Street, Toronto

Manufacturers of all kinds of cream separators, centrifugal and gravity setting.

The "Alpha" Disc De Laval Separators are as much superior to other centrifugal separators as such other separators are to gravity setting systems. Their sales are ten times that of all other machines combined and their superiority recognized wherever dairying is practised in every civilized country throughout the world.

Send for new 20th Century Catalogue and any other desired particulars.
