**Endowments of The Mutual of Canada.**

Dejected speculators in mining stocks, real estate bargains, oil shares, etc., bestrew the landscape thick as autumn leaves these days. Their hopes have fallen "thick in the blast."

The lucky man to-day is the one who invested his money in Mutual Life Endowment policies! These combine household protection with a safe and remunerative investment.

Each \$100.00 invested has produced all the way from \$127.00 to \$193.00, according to the term of the endowment, exclusive of the insurance feature.

Mutual Life endowments are the very thing to buy and to SELL in days of panic and in war-time.
