London Cement Pressed Brick Machine

ONE man operating makes 5,000 brick per day. All brick polished on every side with frog impression. This machine uses our Patent Self-racking Pallet, allowing brick to be manufactured where the building is to be erected. Let us tell you all about it. Send for Catalog No. 2. We also make a full line of Concrete Machinery. Tell us your requirements.

London Concrete Machinery Co.
28 Redan Street, London, Ont.
Largest exclusive Concrete Machinery Co. in Canada.

Canadian General Development Co.

Limited
(Societe Canadienne D'Enterprises Generales, Limited)

A Canadian Company organized to promote and develop for itself or other persons all commercial and industrial enterprises; to undertake the construction of all kinds of public, municipal and private works, and especially railways, tramways, water works, sewers, hydraulic and electrical installations.

The Company is supported and backed in Europe by nine of the strongest Banks, enabling it to carry through the largest undertakings, and to financially take an interest in Canadian enterprises.

The Company has a staff of competent and experienced engineers, and invites correspondence from municipal and private corporations, and from business men who require technical or financial assistance to plan, execute or construct any private municipal or public work.
