# Paroid ROOFING

PAROID is so good that the name has come to stand for the best kind of roofing. Complimentary,

but dangerous! It means that for your own protection you must look for the name Paroid on every roll you buy. Then you are sure of the roofing that is approved by the National Board of Fire Underwriters.

## SAVE MONEY

Look for the Roll with the PAROID Label

Once laid, a Paroid roof is weather-proof and fire-resisting for years to come. The saving on repair bills alone ensures the economy of Paroid, to say nothing of the absolute protection to your stock and crops.
