HARD WORK IS MADE EASY WITH THE

"BT" Litter Carrier

Four barrows of manure at one load can be run out by a boy on the level "BT" Steel Track. Is that not better than pushing a barrow? No machine on the farm is used as much. If well installed it will last a lifetime.

The following statements are taken from letters received recently from users of "BT" Litter Carriers:

"The best investment I ever made."
"My boys think it is great."

"Would not take \$1,000 for it if I could not get another."

"The only litter carrier to buy is the "BT."
"Litter carriers will soon be in every good barn."

We have just published a new catalogue on the "BT" Litter Carrier. It shows how to install a litter carrier properly, and tells why the "BT" Litter Carrier is always chosen when known. Write us to-day.
