subject, which will do no harm, and may throw some light on the matters in controversy.

It is not Spain but England, on account of the weakness of Spain, that has undertaken, in definance of Gen. Cass's admonitions and arguments, to catch some of the American slavers, entering or departing from Cuba. Were it Spain, it would play into the President's hands, and afford a pretext for a couple of Black Warrior measures, and another Ostend manifesto. But the matter may still provoke a little diplomatic row.

There will be a proposition for a loan before congress adjourns. Congress adjourns. Congress is so much alarmed at the deficit in the revenue, notwithstanding its prospects of recovery, that they hold, with a tight grasp, the purse strings.

Through a prejutake place.

Warrior measure on his conduct?

The Derby mainstry is now expected to weatight grasp, the purse strings. Through a prejutake place.

Warrior measure on his conduct?

The Derby ministry is now expected to the sampson & Co., of Boston, and is for sale by a gain to the President in the revenue, notwithstanding its prospects of recovery, that they hold, with a tight grasp, the purse strings.

Through a prejutake place.

Warrior measure on his conduct?

The Derby ministry is now expected to the session. Should it meet with factious plays after the works commenced on rivers and lowing statement:—

Lord Canning's resignation of the Governor of the extracts give only a sentence, closed the extracts give only a sentence, of the extracts give only a sentence, closed the extracts give only a sentence, of the

poposition of secondary, that they hold, with a place against a small public debt, they will probability and the works commended on rivers and he hold continue the course. A better policy that works commended on rivers and the works commended on the course of the work commended on the course of the works commended to the works commended to state the works commended to the works of the work which have been a proportion to be a blaim declory to witness the passage in the House is perhaps doubtful. We have very recently posted out what are the real difficulties to be adjusted between the two Gost and work places and the Government of the works of the works. The section of the works are deficiled to such that we way to consider the works are commended to the same. Currespondence of the Commercial Advertiser.

BY PARAUXY.—The Senate yesterday adopted a resolution suthorizing the President to employ a navial force to compat the House is perhaps doubtful. We have very recently pointed out what are the real difficulties to be adjusted between the two Gost and the such passage in the House is perhaps doubtful. We have very recently pointed out what are the real difficulties to be adjusted between the two Gost and the such passage in the House is perhaps doubtful. We have very recently pointed out what are the real difficulties to be adjusted between the two Gost and the content of the such passage in the House is perhaps doubtful. We have very recently pointed out what are the real difficulties to be adjusted between the two Gost and the content of the present conditions of the such passage in the House is perhaps doubtful. We have very recently pointed out what are the real difficulties to be adjusted between the two Gost and the content of the present of the present of

School Officers of the Fourth Ward, New York, at a regular meeting held April 5th, 1858, passed the fo lowing resolution:

Resolved, That the reading of the Bible be dispensed with in all the schools of this Ward. Ot the fifty-four teachers in these schools, thirty are of the Catholic faith, and all of the

The N. Y. Tribune describes the character of this Ward as follows :-About every fourth dwelling in the Fourth Ward is either a grog-shop, gaming house or brothel; many of them are two of these 'rolled into one,' and some are all three. At least half

volting than similar dens almost anywhere else. The Attorney General of New Granada, in submitting the new federal constitution to the with the cordial invitation which is hereby given LETTERS AND MONIES RECEIVED SINCE OUR Congress of that republic for its action, accom- to them to favor us with their presence on the tion of New Granada into the great American Union, under the same condition as the States aiready constituting our confederacy, as a remedy for the difficulties under which the country now labors. He argues the case, too, quite ably, urging that annexation to the Union will secure external protection for New Granada, foster in ternal prosperity, and place it, generally, in the same condition as New York, Pennsylvania, and the other States of the confederacy .- Nashville

Terrible as the atrociries of the Sepoys have been, says the Philadelphia Ledger, it is doubt-less for the best that they rose in arms, for their present utter deteat settles the question of Hin-doo independence for generations to come. In-dia is now conquered, which she has never been sacred fear, the British Government has heretofore been tender of interfering with the preju-dices of the Hindoo or Mahomedans, even when those prejudices led to flagrant crimes against the common law of nature, as Sutteeism and infant murder. When the rebellion began, it was said that it had been promted by the missionaries and by zealots like Havelock. It is now generally

stances of particular ceremony from the venera-tion of the people. The world is in mourning. It was accordingly hidden from view by a curtain; but one morning, when the priests came to dust it—lo! the image was gone. This was on Thursday. The next day, being Good Friday, the arch-priest of the cathedral received the following note:—

TENRY Y. PITCHER of Aylesford in King's Co., I yeoman, having assigned to me all his real estate and personal effects for the benefit of all his creditors who may execute the said assignment, notice is hereby given that the said assignment has the said assignment, notice is hereby him the months from the date hereof will be excluded from any benefit thereunder.

NATHAN TUPPER.

Aylesford, 8th May, 1858. Messre. FELLOWS & CO. This is to certify that my little boy, aged six years, having been much troubled four of your Worm Lozenges, as per directions, and in nine hours after he passed several large worms. These Lozenges are particularly valuable, as the children are fond of them. You are at liberty to use this for the benefit of others.

MATTHEW HARRISON. Mesers, FELLOWS & CO. I divided the box of Worm Lozenges I bought of you amongst four of my children, and from what I can judge. about Two Hundred Worms were passed by them. One child passed nearly HALP that number!

I am, &c., JAMES T. DAVIE, Parish of Springfield.

PELLOWS WORM LOZENGES ARE SOLE BY ALL APOTHECARIES. Seeds, Seeds.

THE Subscribers have received their usual supply of PRESH SEEDS, Garden and Flower, which they believe to be good and true to their kinds, as their feed Merchants write that the Eccle are " sit of a quality that will no doubt, after so fine a casson as the last in England give the utmost excidention."
