THE TONTINE INVESTMENT POLICY of The North American Mutual Insurance Company combines in one form the greatest number of advantages attainable in a Life Insurance Policy. It appeals at once to the intelligence of all who understand the principles and practice of Life Insurance.
All Policies whether on Life or Endowment Rates, are subject to no higher charge in Premium Rates, in taking the "Tontine Investment" form.
The extra benefits of this are conditioned only upon continuance of the Policy for a certain specified term or Tontine period of ten, fifteen or twenty years, selected by the insured himself.
Two things most desired in Life Insurance are the certainty of protection in early death, and profit in long life. These are combined in the "Tontine Investment Policy" of The North American Mutual Life Insurance Co., which also issues Annuities and all the ordinary approved forms of Life Policies.

THE FOLLOWING PROFIT results in this Association will be of interest to intending insurers
Policy No. 618, issued in 1872, at age 30 for \$1,000 on the All-life plan. Annual premium \$27.89.
At the Quinquennial Division on the close of 1878, the holder elected to take his profits by way of TEMPORARY REDUCTION of Premium, and has had the benefit of the same.
This Policy-holder will, at the ensuing Quinquennial Division, after the close of the present year (1881), have a TEMPORARY REDUCTION for the ensuing five years 29.78, EQUAL to 46.81 per cent. of the annual premium.
The cash profits for the five years are \$42.63, equal to 41 per cent. of the premiums paid during that period.
The cash profits if used as a PERMANENT REDUCTION would reduce all future premiums by \$2.65, equal to 12.68 per cent. of the annual premium.
The above unsurpassed results are the profits for the SECOND FIVE YEARS of the policy.
The next Quinquennial Division takes place as early as possible after close 1881.

How IT WORKS.—The purifying and healing properties of Dr. Fowler's Extract of Wild Strawberry impart a healthy tone to the diseased mucous surfaces of the Stomach and Bowels. Its cooling, soothing properties counteract pain, its antiseptic properties correct canker and foul humor, and its tonic astringent nature corrects all exhaustive discharges—such as Dysentery, Diarrhoea, Cholera Morbus and Summer Complaints generally.

Mr. Abraham Gibbs, Vaughan, writes: "I have been troubled with Asthma since I was ten years of age, and have taken hundreds of bottles of different kinds of medicine, with no relief. I saw the advertisement of Northrop & Lyman's Emulsion of Cod Liver Oil with Lime and Soda, and determined to try it. I have taken one bottle and it has given me more relief than anything I have ever taken before and I have great pleasure in recommending it to those similarly afflicted."
