

A Babe's Promise.

How can a baby, before it is able to speak, make a promise? I will tell you. You had kind friends from the day you were born; and they knew well that your Heavenly Father wished you to be not only His child, but His good child. They knew that God says He will bless and forgive every one who comes to be baptized, if they promise to put away everything that is wrong, and to trust in Him, and to try to do what is right.

And so these kind friends—your Godfathers and Godmothers—took it upon them to speak for you when you could not do it for yourself. And they were sure you would thank them for doing it when you grew older.

So they promised to God—it was a very solemn thing to do—that you would try by His help to give up everything that He did not like you to do. They said you would try not to listen to the wicked voice of Satan. That wicked spirit tries to put bad thoughts

into the minds of little children. They said they would teach you all about Jesus Christ your Saviour, who died for you, and about the Day of Judgment, and the Church, and the Forgiveness of Sins. They thought you would be sure to like to know about all these things, which are written in God's book.

Well, when the clergyman asked them another question, "Will you promise for this little child that he will try to do what God tells us in His Commandments?" your friends who made those other promises, gladly said "Yes." And that is how a babe made promises. All the promises were promises to do what would make you happy, and light-hearted and good. And when they made these promises, God promised to give you a place in His happy kingdom, and Eternal Life.

And so now you know what a little child like you has promised.

There was once a prince, and he was only a child. He had a guardian, a good man who took care of him, and managed the money and the land that would belong to him when he came to be twenty-one years old. His guardian was wise and good, and he often made promises for the young prince, that he would do such and such things when he was a man; and when the prince grew up he felt bound to do those things, just as if he had made the promises himself.

Now let me think of all this to-night. My Godfathers and Godmothers promised nothing for me but what I know I ought to do. And O, my Heavenly Father, I do try, and I will try to please Thee. It is sometimes hard, for I have a sinful heart; but I want to do right, and I want to learn all that is told me in the Bible, and by my teachers. O God, help me every day, for Christ's sake!

Out of the Tolls.

Physicians Failed—Cure-all Failed—But The Great South American Kidney Cure, a Specific Remedy for a Specific Trouble, cured Mrs. A. E. Youg of Barnston, P. Q., Quickly and Permanently.

This is her testimony: "I was taken sick in January, 1893. I employed several of the best local physicians, and was treated by them for kidney disease until the autumn of the same year, without receiving much benefit. I then began using your South American Kidney Cure, and derived great benefit almost immediately. I feel now that I am quite cured. I have taken no medicine for some length of time and have not had a return of the slightest symptom of the disease."

A DELIGHTFUL BALM TO CATARRH SUFFERERS.—Time was when such drastic measures as the physician's knife or burning the affected parts in catarrh cases were resorted to. Modern medical science has stepped in and the means of curing has lost all the barbaric tendency. Dr. Agnew's Catarrhal Powder is a most potent remedy. It relieves in a few minutes and cures most stubborn cases.

LET'S LIVE LONGER!

Why Die a Lingering Death of Direful Diabetes?

DODD'S KIDNEY PILLS CURE IT

Other Medicines never touch it. But Dodd's Pills Infallibly Cure. Expelling Poison and Pain. Preserving Sugar and Strength. Don't Die. Get Well.

Who would not live longer if he could?

More men shorten their lives by over-indulgence in food and drink than ever die from starvation. Health can be maintained by eating and drinking just what is good for us—no more, no less.

But most of us don't do that. In health the body expels what it doesn't require, and retains what it needs. In disease either the body doesn't expel the poison or it does not retain what is needed to nourish it. In the disease called DIABETES the kidneys expel sugar. Its presence can be detected in the urine. The body needs sugar. In DIABETES the sufferer dies a lingering death.

Until recently DIABETES was supposed to be incurable. The science of to-day says that DIABETES may be cured. The kidneys may be restored to healthy action. Sugar may be retained in the system. Instead of filtering out the good that is in the food, the kidneys may be made to filter out the poison.

With poison goes pain. With sugar stays strength.

DIABETES disappears like magic before DODD'S KIDNEY PILLS. Other medicines never touch it. That's the difference. If you have DIABETES get cured quickly. Don't bother with medicines that do not cure. Many will stand up to be counted among those who have been cured of DIABETES by taking DODD'S KIDNEY PILLS.

Mr. Fred. Stokes, Barrie, Ont., says:—"I have been promptly restored to health by a few boxes of Dodd's Kidney Pills. Diabetes had reduced my weight forty-five pounds, which I have regained."

Mr. D. Roblin, Bandmaster, Allandale, Ont., says:—"Could for years get no relief for Diabetes, which it seemed would end my days. Six boxes of Dodd's Kidney Pills have cured me."

Mr. Chas. Gilchrist, Port Hope, Ont., says:—"For ten years a victim of Diabetes. Suffered fearfully, especially in passing water. My cure has resulted from taking a few boxes of Dodd's Kidney Pills."

Mr. James K. Nesbitt, county constable, Stayner, Ont., says:—"Becoming aware of the fact that I was a victim of Diabetes, I resorted to Dodd's Kidney Pills. I commenced to get well with the first box and am perfectly cured."

A BAD CASE BUT A PERMANENT CURE.

For years I suffered from that dread disease—catarrh—I spent a small fortune in medicines without receiving any relief. I had the disease in a very bad form, and nothing seemed to reach the seat of the trouble until I procured and used Chase's Catarrh Cure. I got almost instant relief and I declare that, though I can hardly credit it myself, I have been permanently cured, and gladly give my testimony to the merits of this great cure.

ARTHUR P. THORNE.

Charlottetown, P.E.I.

CHRONIC CATARRH FOR 15 YEARS.

I had been a sufferer from catarrh for fifteen years. It became chronic. I have spent a lot of money and tried many doctors. I also treated with a catarrh specialist in London—in fact, had tried most everything I saw advertised without getting any benefit. I was directed by the advertisements and testimonials I read to try Dr. Chase's Catarrh Cure. I used three boxes and a complete cure was effected. I heartily recommend it to all sufferers from catarrh.
