Attention is called to quotations on this page offered by Winnipeg retail dealers to farmers who ship their products direct to them, thus eliminating the profits of the middleman. These quotations are for butter, eggs, dressed poultry, and dressed meat delivered in first class shape in Winnipeg. The guide has been enabled in the past few months to put many producers in direct communication with the retailers, and all letters on this subject will be answered promptly.

From the live stock prices given on this page, an interesting comparison may be made of the quotations in Winnipeg. Chicago, Montreal, Toronto, and Great Britain.
