SERMON TO  
YOUNG MEN

There was a large attendance at Holloway street church last night to hear the first of a series of sermons to young men by the pastor Rev. A. R. Sanderson. The congregation was large and composed of young people. Mr. Sanderson chose for his text, "I Samuel chapter 17." And David arose up early in the morning, and left the sheep with a keeper, and took, and went. From this text Mr. Sanderson developed a very suggestive and practical line of thought. He drew an eloquent picture of home and what it should mean to every young man. Then he described the youth leaving home and the ambitions and plans dotted in many cases to meet with disappointment. The young men were cautioned not to be in too great a hurry to leave the old home, and he deprecated the spirit of levity with which many a youth departed from the home of his childhood.

During the service the choir rendered two anthems in a very creditable way.

A BUSY TIME  
IN BOSTON

Lieut. Col. Ponton has returned from Boston where he was the guest of honor of the Canadian Club on March 12th. There he met nearly two hundred Canadians, five of them old Belleville boys, Messrs. Jas. S. Johnson, son of the late Wm. Johnson, Hinde, Green, Spry and James A. Wensley. Four of these were formerly members of the Pittsburgh Regiment when Col. Ponton was in command. Col. Ponton's address was on "Canada and Her Sisters." Principal Gordon was also present and delivered an address.

Col. Ponton was also in attendance at the Grand Lodge of Massachusetts, A.F. and A.M., on behalf of the Masonic Grand Lodge of Ontario. Principal Grant and Col. Ponton visited Harvard University. The latter had also the extreme pleasure of going over the new Argentine dreadnought "Riva Davis," the compleasat department of which is in charge of Mr. James S. Johnson. This vessel was built at the Boston navy yard and will soon be delivered to Argentine. Col. Ponton was taken all over the vessel.

IA'E MR. ARNOTT'S FUNERAL.

The remains of the late William Arnot arrived today at noon from Toronto and were met at the G.T.R. depot by relatives. The interment was in the family plot in Belleville cemetery. Rev. Canon Beames conducting the service at the grave. The casket was accompanied from Toronto by the Misses Arnot.

An oil that is prized everywhere—Dr. Thomas' Electric Oil was put upon the market without and flourish over thirty years ago. It was put up to meet the wants of a small section, but as soon as its merits became known it had a whole continent for a field and it is now known and prized throughout this hemisphere. There is nothing equal to it.

BRITTON CITIZENS ARE AGAIN HAPPY

The various restraints to the public issued by the Board of Health, owing to the recent outbreak of scarlet fever, were released at a meeting of the Board, Wednesday evening, 4th inst., when the Medical Health Officer, Dr. Webb, advised that in view of the fact that the spread of the disease had been prevented by the adoption of all precautionary measures, and it appeared now to be safe in permitting the congregating of people in public places, the danger of contagion having been eliminated by thorough fumigation of the place, house, library, public and high schools, bank, post office and other places. Consequently the opera house was declared open for public use, and the schools and library will be open Monday next, after the Sunday schools will proceed with their meetings on Monday next, 8th inst. No new cases have developed of late and it is evident that circulation of the fever has been considerably lessened. The whole of business and pleasure will once more revolve in the even tenor of their way, and there need be no fear on the part of the wary citizen.—Ensign

ADDRESS AND  
PRESENTATION

To Mr. and Mrs. Manson Smith.—  
Dear Mr. and Mrs. Smith.—We the Rebekah and Odd Fellows of Belleville are gathered here this evening to do an honor in some small way to you, who we have loved and respected among us.

We have listened with deep regret that you are soon to move from our midst. As friends we feel our loss will be great, for you have endeared yourselves to us by your kindness, and the loving confidence of friends in whose society you will soon find yourselves. We ask you to accept this pedestal and fern not for its intrinsic value, but as a slight token of our regard. We feel it a duty and pleasure to make you this presentation, and so avail ourselves of the present opportunity of doing so with feelings of unbounded pleasure.

Hoping you will be spared many years of health and happiness. We all wish you God's blessing in your new home.

Signed on behalf of Sisters and Brothers:

OBITUARY

Two of the oldest and most highly respected residents of the community passed away during the week, both about 80 years of age, Stephen Badgley and Benjamin Abbott. Mr. Badgley during his active life of farming, resided at several places in the neighborhood, and on retiring from active life about 12 years ago, moved into the village where he has since resided; he and his wife celebrated their Golden Wedding last summer, shortly after he was taken ill, and since has been lingering on, expecting any day to leave the final call.

Benjamin Abbott has been in active life on his farm at Glen Ross almost up to the last day. He was active in Methodist church work and was superintendent of the Sunday school for a great number of years up to a few months ago when failing health forced him to give up this beloved part of his work.—News Argus.

AGED RESIDENT  
PASSED AWAY

Robert Phillips, one of the oldest and best known residents of this city died last night about midnight at the age of 83 years.

His wife preceded him to the tomb. He passed away peacefully at his home, the oldest member of the Masonic Order in this district.

Some years ago he suffered ill health as the result of a fracture of his leg. On Friday last he was afflicted with a stroke of paralysis.

He leaves one son, Dorland Phillips of this city and one daughter, Mrs. Frank Farnham of Canflinton.

ACCUSER BECAME  
THE ACCUSED

Angelo Martini, aged 37 years, was given a strong warning to behave himself in future. Yesterday he came to the police station, giving a number of a street and saying a woman within had been looking to him to come to a street of paralytic.

This was not the case. The woman in question was in a helpless condition and was sitting at the window to get the heat of the sun.

Angelo who followed the officer hit up a racket, acting in a disorderly manner on the street and he had to be arrested on a charge of being drunk and disorderly.

This morning he was proven guilty and fined \$5 and costs, totalling \$8.25. Magistrate Mason issued through an interpreter a strong warning to Angelo and all foreigners to keep away from houses and desist from peering into the window.

Action for \$5000 damages for death of plaintiff's three children, caused by falling sand and earth in a tunnel on the defendant's premises. "LET ME LIKE  
A SOLDIER FALL"

The arena skating rink season is now over. Although the ice was a little slow in making in the beginning of the season, yet it has been the best season for years.

To celebrate the event, the married and single men of the Fifteenth Regiment battled last evening in hockey and drew the fuse on the married men's ranks was awful. The single-headed sharpshooters poured in a rain of grape-shot on the defenceless defence of the "double breasted" militiamen and defeated them by 43 to 17. Tell it not in the sergeant's mess, for it will cause trouble.
