# LOCAL MATTERS OF INTEREST.

A number of employes in the Telegraph and Times offices will quit work while badly frightened, were quite un- ed and should resist any water preson April first. They have each re- hurt. On investigation it was found sure for years to come. Its construcceived a letter from Manager John that the forward axle was broken. Af- tion will remove any danger to the Russel to the effect that their services will be no longer required. The hauled back unto the track and towreduction of staffs is by order of John Y. McKane, the owner, of the plant, whose home is in Newcastle. It is

Word has been received of the death by drowning of J. E. Annette, manager of the Malahat Lime Company. The drowning occurred on March 17th, at Victoria, B. C. Deceased was the only son of Mrs. Elizabeth Annette, of Fairville, and left St. John 15 years ago to locate in Victoria. He was 36 vears of age and single

Mrs. Blaine, wife of Col. Arbuthnot Blaine, died at her home Duke street this morning, after a lengthy illness. Mrs. Blaine was formerly Miss Wilson, daughter of the late Samuel Wilson. She is survived by two sons Alexander and James and one daughter Miss Jennie Blaine. Mrs. Blaine also leaves four sons, James Wilson, of Roanoke, Virginia, Samuel and Thomas of this city and John of Moncton and two sisters Mrs. Robert Fleming and Mrs. Key, both of St. John. While Mrs. Blaine had been very poorly for some time her death today was wholly unexpected and came as a great shock.

Lieutenant James Gardiner Troup and Lieutenant W. Dutton, both of the reyal navy, are guests at the Royal. se officers and twenty-five seamen are on their way to England, being the Egeria, survey ship stationed at Esquimait, B. C. The party will sail today for Liverpool on tthe Empress of Britain. The remainder of the Egeria's crew passed through St. John on their way home about a fortnight since.

While attempting to cross from Milkish to Millidgeville yesterday morning. a team belonging to Capt. Fred Fowler, of Carter's Point, broke through the ice near Hoyt's Point. Several other teams happened to be in the vicinity and the owner, horse and sleigh were gotten out safely. One of those assisting also broke through and got a ducking, but was helped out immediately, Reports are that the ice in the Kennebe used for crossing much longer unless there should be another cold snap.

lalists may look into and develop the copper mine at Jordon Mountain the coming summer and it is hoped the rumor may prove correct as this is certainly one of the most promising proposals of the kind in the Maritime Provinces.—Sussex Record.

At the regular monthly meeting of Master Horseshoers' Protective Association held in their rooms Thursday evening, 30 Charlotte St., the following fficers were elected for the ensuing year: George Lawson, president; John Harrington, vice-president; Anthony Pirie, second vice-president; Arthur Fitzgerald, secretary: John Willet, treasurer; James Kilpatrick, financial

the horses became frightened and startalarmed and jumped from the vehicle. The result was a hard fall and she was badly shaken up.—Sussex Record.

The conductor of Street Railway Car number seventy-three has been adopted of late by a little black spaniel. The dog jumped on this car some days ago and when put off followed the car until it stopped, and got on again. At meal hours it followed the conductor to his home and gets food. again to get away from the animal, but it follows him all the time.

Twelve births were recorded during said that the idea of discharging the British-grown teas. Partly owing to males. Four marriages were also rethe week, seven of the infants being corded.

The Royal Opera House, Yarmouth, gardens has advanced greatly during Nova Scotia, well known as the best fitted and prettiest theatre in the Maritime Provinces, has been leased by F. G. Spencer for several years, and will be operated beginning Mon day as a moving picture house. Mr. Spencer controls quite a number of these houses throughout the provinces including a second one in Yarmouth.

The causes of deaths of the past week as reported to the board of health are as follows: tuberculosis, two and one each for diabetes, pneumonia, pertonitis, drowning, burning to death, acute pronchitis, capillary bronchitis, cardiac dropsy, organic heart disease, tuberculiar pertonitis, a total of twelve.

An attempt is being made to have graduates of Dalhousie Law School put on the same footing as to admission to the New Brunswick bar as that in which graduates of the King's College Law School of this city are placed by provides that students shall be admitted withaut further examination. All others have to pass the regular tests Parties interested in the matter at Dalhousie have employed Slipp and Hanson of Fredericton to push the matter in their behalf. It is unlikely that they will be successful, as there is a feeling against giving these privileges to thos who give their patronage to law schools outside of the province.

The L. C. R. is preparing to install a modern electric lighting plant to furnish light in the station buildings and the yard. The plant will be located in the elevator and it will furnish power not only for the buildings but for a The repairs will improve the boat both number of arc lights about the yard, as well as for the new incandescenlights in the semaphores, signals, etc. Wiring for these is now being done and the new system when completed is expected to prove a great improvement as well as a great saving.

> Last evening the home of Mr. and Mrs. Philip McCartney was the scene of a very happy event. A number of their friends met to celebrate the ninth anniversary of their marriage. A social time was spent in conversation and singing followed by a supper after which Rev. B. H. Nobles on be-half of the friends, presented Mr. and Mrs. McCartney with a well-filled purse. Some who were unable to be present sent letters of congratulations among which their family physician, Dr. Roberts' letter and very generous present should be mentioned. Mr. and Mrs. McCartney have two very bright children, Kenneth and Blanche, who sang some selections during the evening much to the delight of all present.

Mr. Harry Davis who has been pros pecting for coal on the Holmes Farm was fortunate enough to strike a three foot seam this morning and presented the New editor with the first basket load taken from this seam, Mr. Davis expressed the view that the seam would be over four feet in thickness after the slope had been sunk to some depth, but one thing is sure and that is, that a coal seam thick enough to work to advantage has been discovered a few yards over the boundary limits of our town. The discovery of this groom is a son of Albert Taylor. seam means much to the industrial development of Amherst.—Amherst

Professor Crowell, of the Applied Science Faculty of Mount Allison, met with a nasty accident last Thursday when one of his little fingers was almost severed from his hand. Prof. Crowell was using some of the equipment of the Science Building when a saw slipped and gashed into the finger near the middle joint. As stated the finger was almost severed and despite careful effort it may not be possible to

save it.-Sackville Tribune. Alexander Rankin, aged 28 years, a coal trimmer on the Donaldson line steamer Salacia, met death by being smothered under the coal two days out from Glasgow. Rankin and a companion had placed sufficient coal on the plates to last some time, when his dred dollars in gold from the groom, companion lelft him to attend some. The happy couple left on their bridal companion leift him to attend some The happy couple left on their other work, teeling Rankin he could trip to California and returning will take a rest. Nothing more was thought reside at Lynn, Mass.

was made for Rankin, as he was not around. His remains were eventually found buried undder the coal. He was buried at sea. Rankin was born at

It is understood extensive improvements are to be made on the Intercolonial railway. Last fall tenders were called for a coal shed and this is to be erected this spring. The brick building Gilbert's Lane is to be remodelled and fixed up with excellent facilities for washing the cars. Poles for electric wiring have been put up as far as Gilbert's Lane and from there poles willbe run towards the city. This will make the I. C. R. yard much brighter. A new yard office is to be built at the island yard. This will be a great help to telegraph operators and clerks.

The firm of S. H. Belyea and Co., of Adelaide street, has been dissolved and the good-will and stock disposed of to William and L. B. Brown, who will continue it at the old stand. Wm. Brown has been in the firm's employ for some years, whicle his brother has been with Johin Hopkins. The new firm will be known as Brown Bros.

H. P. Saunders, who has been attending the St. John Law School, will leave for Calgary on the 10th of April. Mr Saunders is interested in a prosperous branch out west which requires his immediate attention, and rumor says that something more serious also demands his presence.

The Main street Baptist Church Sunday school has enlarged to such an extent that additional room is required gan avenue. Winnipeg Free Press. for the accommodation of pupils and teachers. On Tuesday evening the teachers and officers of the Sunday school met and passed a resolution favoring the remodelling of the old church building in the rear of the present edifice, in order to make it suitable for a school room.

Consequent upon the appointment of H. O. McInerney to the office of registrar of probates, the law firm of Tilley & McInerney will be dissolved on the first of April. Both Mr. Tilley and Mr. McInerney will continue their law practice individually at their present offices in the Canada Life building. Shortly after the first of April the office of registrar of probates will be removed to the office in the Canada Life formerly occupied by the late firm of McInerpey and Stockton & Price.

MISS MARY McDONALD. The death of Miss Mary McDonald, daughter of James McDonald of Main street, in this city, will regret to hear of her death, which occurred at Fredericton yesterday, where she was keeping house for her brother-in-law. Edward Farren. Her sister, Mrs. Faren, died about two years ago. She is survived by her father. The funeral will be held from the residence of Mrs. John Leonard, 484 Main street, on Fri day morning at 8.45.

## RECENT WEDDINGS.

TAYLOR-IRONS.

At the Methodist parsonage in Fairville Thursday Rev. T. J. Deinstadt officiated at the marriage of Charles Frederick-Taylor, of Fairville, and Miss Elizabeth Irons, of Providence, R. I., daughter of William J. Irons. The ceremony was a quiet one. The McALARY - ERB.

The marriage of David M. McAlary to Katie E. Erb, both of the parish of Kingston, Kings county, took place on Monday, the 24th of February, at the Rectory, Springhill, Kings county. The ceremony was performed by Rev. R. CHELLIS - WILEY

A very pretty wedding took place on March 18th on Fortsmouth, N. H., at the home of the bride's sister, Mrs. Albert Dawson, when Miss Etta Wiley, of Carleton, daughter of Mr. and Mrs. Joseph Wiley, was married to Harry Chellis, of Michigan. Rev. Frank H. Gardner officiated. The bride wore a mended to h very handsome grey silt gown and car- authorities.

CUTTER-RONALD.

At Pine Street M. E. church Wednesday evening at 8.30 o'clock was solemnized the marriage of Miss Grace Helen Ronald, daughter of John Ronald of Bathurst, N. B., and Luther Cutter of this city. The wedding was a very pretty one, and was performed by Rev. T. W. Fessenden of Grace church. Miss Margaret McLeod of this city was maid of honor and John Nelson Cutter of this city, brother of the groom, was best man.

The bride was becomingly attired in a handsome gown of white Maritana silk over white taffeta, trimmed with embroidered chiffon, and silk applique. Miss McLeod was also handsomely gowned. After a brief reception Mr and Mrs. Cutter left on a wedding trip. -Bangor Commercial.

MacTAVISH - McDONALD.

On Thursday evening last, at the hurch of the Ascension, West 107th treet, New York, Miss Agnes Dora cDonald, second daughter of the late John McDonald, Fredericton, was married by Rev. M. Tighe to William Mac-Tavish, son of the late Alex. MacTavish, St. John, and brother of Mrs. T.W. Anglin. Mr. MacTavish's home is in Toronto. The wedding had been arranged to take place on March 3, but was defayed on account of Mr. Mac-Tavish's illness.

STILES-ROGERS The marriage of Nathan L. Siles and Miss Jennie Rogers, both formerly of New Brunswock, took place at the St. John's Methodist parsonage on Wednesday, March 18, Rev. W. F. Cann officiating. The happy couple will make their home at Victoria Chambers, Lo-

ESLER - MILTON HILLSBORO, N. B., Mar. 24.-Wm B. Esler of Albert Mines and Mrs. Deborah Milton of the same place were united in marriage on Saturday evening at Surrey Baptist parsonage. Rev. A. M. McNintch was the officiating clergyman.
