BRITAIN IS WATCHING

Fully Alive to Critical Condition of Persian Affairs.

many's Opportunity Believed to Be In the Coming Crisis In the Land of the Shah-Great Britain Warned to Be on Guard For the Safety of India as Foreign Control Is Inevitable -An Alarming Report.

London, aug. 29.—The British Government is fully alive to the critical condition of affairs in Persia, and to the alleged efforts of Germany to ob-

the alleged efforts of Germany to obtain a footing there, and it is stated doubtless seps will be taken by the powers to rotect their interests when a crisis arries.

Thus far, the Foreign Office says nothing has occurred to justify outside interfernce.

Crisis in Persia Coming.

The correspondent at Teheran of The Daily Mail, uder date of Aug. 25, declares a cristis approaching in Persia; that, with Rusia paralyzed, Germany's that, with Rusia paralyzed, Germany's great opportulity is at hand; that the entire Government organization is collapsing; that the provinces are in a condition of aarchy; that the treasury is empty, and all the available securities mortgage; that the army, unpaid for months, i in a condition of open mutiny, and lat insurrections occur daily and are ast spreading, the only trustworthy thops in Teheran being the Cosmack brade, which also is beginning to get out of hand.

ginning to get ut of hand.

Shah's intriguing. The Shah is losting his health and the control of is subjects, and is intriguing with th Sultan as the supreme head of Islam. Turkey continues her aggressions on he western. Irontier. Mo. 2-123 p. m 4-11.19 p. m a footing in Peta, has made a loan through Belgian nanciers in return for concessions fronthe Shah in connection with a manificent new legation building and a Gman college and hospital in Teachern Carran elegation pital in Teheran German steamers are running monthlyto the Persian Guif. The new Germandinister, direct from Constantinople, were he was high in the Sultan's favoits a fervid advocate of the Bagdad Raway.

Constantinople, were he was high in the Sultan's favois a fervid advocate of the Bagdad Raway.

The Correspondst concludes with a solemn warning a Great Britain to guard the safety findia, as foreign control of Persia linevitable.

The Premier's views were reflected by The Rossia yesterday, which declares the Government must not be frightened into abandoning the reform program. It is only necessary, the paper asserts, to draw a line between loyal opposition and those who by word and act seek the destruction of the Government for the graph of the corresponding to the following the reform program.

BRIDE DESETS HUSBAND.

Tried of Living Fm Hand to Mouth and Seeksituation.

Detroit, Aug. 29-Villiam M. Cauld-field, a young Enghman, who came to Toronto two yes ago, and was employed on the Cank Trunk, married a Miss Hopwood short time ago,

and six weeks ago ame to Detroit with his divide.

He was not as suessful in getting permanent work as e had hoped to be. Two weeks ago during his absence from their ross, his wife disappeared. He took in granted this tube is inflamed you have a spheared. He took in granted that she was on a visit let she had contemplated, but now its that she has has not been at her lends.

He has just found note which she left, which had essait his notion, in which she says: "If artired of this life in the result, and unless the inflammation can be taken out and this tube estored to its normal condition, hearing will be destroyed for two hearing will be destroyed for the mucous and many sungle to locateer.

Montreal, Aug. 20:The steamer Dundurn of the Hamilt and Montreal Steamship Line, broke e gates of the Cote St. Paul look in achine Canal, and the water poured wn and over-flowed, causing thousas of dollars' flowed, causing thousas of dollars damage, and closing don five factories. The steamer, whichad seventy-five passengers on hosa was undamaged. The sccident haened at 6.30 a. m. yesterday, and theanal will be a m. yesterday, and the anal will be blocked for a day. The ctories dam-aged were: Belding, Path Co., foun-dation of 30 feet torn wn, \$5,000; James Shearer, \$1,000; Ctin dry dock gate broken, damage a estimated; Canada Paint Co., \$1,006 Globe Hat Works, \$400; Caledonia on Works,

warden J. M. Manbry was charitant.

Strong S dered early yesterday in furnished room at 6 Second street. She had been horribly ripped and shed. Jas. Moore, who had posed as woman's husband, was held by the nec on suspicion. It was he who nided them into any design. They saw this rui.—

bomb explosion Saturday at the residence of Premier Stolypin, occurred yesterday under military escort.

cessfully this season by Mr. R. M. Young of the Nyria and Mr. Myles B. Kennedy of the White Heather, would have developed far enough in another season to have falsified this opinion remains an open question. In meantime, the universal feeling yacht racing circles is one of absolut satisfaction that the matter has been put beyond doubt by the decision of His Majesty to hoist racing colors again to the truck of a first-class cut-

ter.
This decision—or, rather, the negotiations which preceded it—gave rise to a variety of rumors, mainly con-flicting, and wholly premature, and the result is that those who have fol-lowed the matter with the closest interest are most mystified as to exact position in which the matter ow stands. 'It may now be stated that, now-stands. It may now be stated that, although the negotiations have not reached the point at which the proposal to build becomes an actual contract, they have advanced so far as to put it beyond all reasonable doubt. Hamilton, Aug. 29.—The jury which that there will be a new royal cutter in the class which will lead the racing fleet through the regattas of next year. In the lifetime of the late Mr. Geo. L. Watson, the most eminent of British-yacht designers, he was the autherity

yacht designers, he was the authority to whom the King turned for expert advice on all matters pertaining to yachting, and the cutter Britamia, which he designed for the King when Prince of Wales, was easily the most consistently successful racer ever built in the first class. On the death of Mr. m the first class. On the death of and water, the business passed—under the provisions of his will—to Mr. J. T. Barnett, his chief draughtsmen and essistant. It is with the same firm, therefore, Messrs. Geo. L. Watson & Co. that His Majesty has been in negotie that His Majesty has been in her racer, and whether the new craft repeats all the success of her predecessor or not, there are circumstances which will mark her an epoch-making vessel.

The keenest desire of the framers of

DEAFNESS CANNOT BE CURED. By local appacations, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous links of the Factachian Tube When By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure desfness, and that is by constitutional rules are the change might do something for the encouragement of international sport among the yachting for the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition.

TRUST COMPANY WRECKED.

Years ago they fought eatarrh by internal dosing. They saw this ruited the stomach and changed to the ezonated air cure, bitter known as "Catarrhezone." This treatment is sure to cure. It goes to the source of the disease; it destroys the causes that maintain catarrh and even in the worst cases permanent cure is guaranteed. Failure with Catarrhozone is impossible. Antiseptic, healing and far-reaching, it's bound to cure every time. Endorsed by more than twenty thousand physicians in America alone and sold in 25c. and \$1.00 sizes by all dealers. from 30 to 60 per cent, of the total children born die under five years. Wealth has increased, but the infant has not shared it. Physical comforts have increased, and yet the weakest and the smallest bear ar undue share of the burden of death. It seems as though material progress is hitting the child too hard."

Affected the Verdiot.

"You see, gentlemen," said the com-sel for the defendant complacently—it was a compensation case—"I have got the plaintiff into a very nice dilemma. If he went there seeing that the place was dangerous, there was contributed Toronto, Aug. 29.—A freight train, south bound, running at 30 miles an hour, hit an open switch and crashed was dangerous, there was contrib negligence, and, as his lordship w into a standing train of cars in the station early yesterday. The engineer and fireman jumped and the locomotive was derailed and almost buried in a bog alongside the track. Five cars were overturned, three of them bottom up. you, he can't recover. If he did not see it was dangerous, neither could my client have seen it, and there was no negligence on his part. In either case I am entitled to your verdict." The jury retired. "Well, gentlemen," said jury retired. "Well, gentlemen, said the foreman, "I think we must give him £300." All agreed except a stout, ruddy gentleman in the corner, who cried hoarsely, "Give him another £50, genmen, for getting into the dilemma!" Verdict accordingly.—London Graphic. WHY CHEST COLDS ARE DAN-

They lead to pleurisy and pneumonia. Follow the Advice of W. H. Powles, of Powles' Corners, Ont., says: "I used to be subject to attacks and although I used most everything nothing relieved quickly till I discovered Nerviline. I have used it for pleurisy and sore chest and found it just the proper thing. For Lumbago or Neuralgia it's as quick as lightning. I cheerfully recommend Nerviline." The strongest, cleanest, most pain-destroying lini. Kitchener's Sarcasm. During Lord Kitchener's recent visit to the Indian frontier defences he inspected a new fort. He was astonished to find that it had been so placed as to find that it had been so placed as to be commanded by a nearby hi. The officer who had chosen the site was present with the party, and Kitchener called him forward. Instead of the outburst that the staff expected Kitchener merely held out his hand and said: "I congnatulate you, Col. — What a capital place for a fort! When do you begin to remove the hill?"
