A certain newspaper not 1000 miles from Detroit was once owned and oper-ated by a syndicate of lawyers, business portant matter, writes Maria Parlos, in fun and honor of running the paper: and have proper attention one cannot so whenever one of them fancied he had wish for a more satisfactory light; but an idea in his head he would run up to the office and interview the managing much discomfort. The great secret of

hour or more for meals, a quarter of an low. With a soft wet cloth, well hour for dressing in the morning, five soaped, wipe the burner thoroughly, minutes undressing at night. I don't working the cloth as much as possible shave, so there is five or ten minute⁸ inside the burner, to get off every par-saved there; but I black my own boots, that takes time. Then there's the time lamps within about one inch of the top, going to and coming from the office.

"Sometimes I lay awake an hour or two at night thinking over some scheme for the paper. That ought to offset the time I take for meals. It seems to me though, as if I gave all the vest of the

kind of copy.
"Oh, of course if it's necessary we can't object, but don't burn any more than you

object, but don't burn any more than you actually need.
Director No. 3 remarked.
"I don't altogether like what you copy from other papers. I don't think it's very interesting. Now, I've taken the New York Observor for several years and there's a lct of interesting reading matter in that. When I get through with it hadn't I better send the paper down to you, and you can copy things out of it. I have a file of it for years, so I wouldn't like to have you cut it."

MENTS.

Every lady sending fifty cents for a three months' trial subscription to the Ladies' Pictorial Weekly, may enclose a sample of her handwriting (not less than styling. To the delineation of her handwriting, the most of the ladies Pictorial Weekly and there's a lct of interesting reading matter in that. anything out of it." -

remarked:

"That's a fine article you've got on the editorial page this morning. Get's me in a nice mess. Why, the man's one of my best friends, and he'll lay for me. Who wrote it?"

"Mr Jackson."

"Well, Jackson is a—fool. He's no more judgement than a sheep, we ought to get rid of him."

In order to appease Mr Director, the editor a few days afterward had another article prepared carefully, taking back what had been said and making a veiled apology for it.

In came Director No. 5.

"You've made an awful mistake; you ought to stick to what you said last week. That was just right. It hit the nail on the head, went right to the spot. Now you've gone and taken back water on it You ought to consult Jackson
