For more than ten years Mr Dunnett has been going from relace to place pursuing his good work, sometimes conducting a series of gospel temperance meetings independently, but always laboring for the good of his fellows. At times it was a dull, heavy pain, at others sharp and severe. Oftentimes it rendered him unfit for his engagements, and at all times it mae it difficult to move. His trouble was always visible to the public and frequently when conducting service he would give out and doctors had to be called to attend him.
