A Big Find.

The Musquash Barren to be Turned Into Money.

A Nearly forty years ago, one June doy, a white horse and a chaise were given in Make. Nearly forty years ago, one June day, a white horse and a chaise were find a credit to your mother; but remember, my children, there are graves in yonder churchyard ne led to the door of an old farm-house, because of its difficulty in making roads through it, and also a source of regret to its owners because of its unproductiveness. Few peoplenone in fact—who have ever driven through the barren, suspected that it would ever become a source of wealth to its owners—a veritable bonanza.

Within the past few years a new kind of bedding for cattle and horses have been imtroduced into the United States, which, because of its cheapness and many excellent qualities, has rapidly worked its way into popular favor. The new material is known as "peat moss," and hitherto it has been improted from Germany, Holland and Russia, into the United States, At first it was used only by the breeders of high class stock and for horse bedding. But the American of the carriage ceming of the real first carriage ceming of the real first carriage ceming of the carriage ceming of the break and the charges of the carriage ceming of the continuation of the conducted by Members of Sackville W. O. T. U.
