The case of Queens county checken R. D. Blair, has been before the Supreme Court at Hilarion Roy, Fredericton and on Thursday last Louis U. Roy, judgment was delivered in favor of Alex. Comeau, Overseers of Poor, Baird, petitioner, against George G. Xavier E. Doucet, King, respondent. The points decided on were mutually agreed upon by counsel (or both parties. Currey for Baird contended that he could prove that Hube Landry, thirty voters (sufficient number to elect Fred Clement, Baird) had been bribed to vote for J. W. Dumas, King, the grit candidate, and therefore Jos. Poirier Baird should be given the seat. King's Joseph Read & Co., counsel admitted that thirty voters had Germain Cormier, been bribed, but contended that if Richard Jago, Baird had a right to have these struck Mrs. R. H. Jennings, off King's vote, the latter had the same Dr. J. C. Meahan, right to take off Baird's. Currey claim- Neil Godin, ed that King's counsel (C. W. Weldon) had not given the required notice under the act and therefore it could not be done. The chief justice delivered Louis Poirier, the judgment of the court sustaining Chas. Robin, Collas & Co., Currey's contentions and declaring John B. Leger, Currey's contentions and declaring Prudent Godin, Baird entitled to the seat. When the Dominique Chenard, election court meets on the 25th there- Joseph A. Paulin, fore, the judges will declare Baird mem- I

If the government party keep on as Young & Hubbard, they are doing in the bye elections they Augustin E. Godin. will have a considerably larger majority when Parliament meets than they had Pascal Landry, at any time during the long drawn out Jos. N. LeBoutillier session of last year.

## Petition of Salmon Fishermen.

Extract from 'Fishing and Shooting,' Feb. Augustin E. Theriau, ru ary 4th, 1882. The following petition to the Hon. Sir Charles H. Tupper, Minister of Marine and Fisheries of Canada, is now

being circulated :-The undersigned owners and lesses P. J. McNally, of fishing privileges in Canada respect- Alex. Chiasson, fully represent that of late salmon Jos. M. Savoy, have become more and more scorce Clement D. Chiasson, each year in the Canadian rivers, and Jos. Chiasson, that unless the Dominion Government | Peter DeGrau, (Capt.) shall promptly adopt some decided and effective measures to enable a larger number of salmon to saley; reach their spawning ground, great danger of extermination of the species will be in-

We believe the present requirement, J. & R. Young, that the nets shall be raised from Satur- J. A. Ba day evening till Monday morning affords Dosity Bing hard, inadequate opportunity for a fair pro. W.S. L. portion of the fish to safely reach their Trustees School District No 1, spawning grounds. Considering the great extent of shore line along which the perfected net appliances now in use are set, the proportion of fish which can Richard Young, escape them must be small. This is James Arsineau sufficiently proved by the fact, observed John McMahon

'C. B. Northrop, for 28 years one of onie, who was supposed to be dying st spring of beomotor ataxia, or creep ing paralysis, has secure i a new lease of his and returned to work at his store. m is greatly improved, and it looks

Since that time Mr. Northrop has At Piccalilly, Kings Co., 3rd inst., Charles in Conduction, till he has regained his old-time strength.

It has been hinted to the writer of the article, who was acquainted with Mr. Northrop, that this miraculous change had been wrought by a very simple ren edy called Williams' Pink Pills for Pale People. When asked about it Mr. Northrop fully verified the statement,

Much interest seemes to be manifest-had obtained his information respecting the end that there was no hope for him, on board the government railway cars, his strength in the least effort. He existence in Chatham. The item pro- and start them for the great cities of the had to be wheeled about in an invalid's

store on an invalid's chair, would not for processing the logs necessary to a litisquite true that Dalhousie is a small change that Dr. Williams' Pink Pills place with a population of less than one have arought. When Mr. Northrop ers and Officers of Her Majesty's men of Dr. Wi liams' Pink Pills through of war, by giving expensive receptions, of Dr. Williams L'Hommedieu, 95 Dr. Williams' Pink Pills, and they have restored him to health. Mr. Northrop was askel what was graceful manosuvring they can have the claimed for this wonderful remedy, and blue sky over their topmast for their replied that he understood the proprienerve restorer; supplying in a condensed

form all the elements necessary to enrich the blood, restore shattered nerves and

lrive out disease. It is claimed by the proprietors that Pink Pills will cure

private practice for years before seing placed for general sale. Mr. Northrop declares that he is a living ex-ample that there is nothing to equal these Medicine Co., Brockville, Ont., and Morristown, N. Y., and the pills are so d. On the question being taken there are two yeas and the motion is declared lost.

Moved by Coun. Melanson, seconded by

The question being taken there are two yeas and the motion is declared lost.

The passy for February is specially serious from Dr. well as of kindred societies have been attractive in its contents,—both reading to the prayer of such a petition being omplied with, not considering such a control with the such as seed on the Parish of Bathurst for the pay car.
