Establishment of a Psychiatric Clinic at

Toronto.
Toronto, Aug. 29.—Hon. Dr. Willoughby; Dr. Clark, Superintendent of the Toronto Asylum, and Dr. Ryan, Superintendent of the Kingston Asylum, have returned from a visit to Germany, France and Britain, made with a view to obtaining information to assist the Provincial Government in deciding upon the course to be followed in the future in dealing with persons suffering from montal discourse

in dealing with persons suffering from mental diseases.

They spent considerable time in Munich, where the most advanced method of treatment of such cases was initiated in the shape of a psychiatric clinic of one of the hospitals. It has been proposed to adopt this plan in Ontario, a start being made in the flew Toronto General Hospital to which it is subgest. General Hospital, to which it is suggest ed a separate wing, with accommodation for 100 patients, should be attached for

eases would be sent for preliminary treatment. If it appeared that they could be cured they would not be sent to the asylums at all, but if it was apparent that they were hopelessly insane that they were hopelessly insane they would go to the asylums. This plan has been followed in Germany, not the recovery of patients is concerned, but with considerable saving to the pub-

but with considerable saving to the public trassury.

It is said that, in the evept of the method being adopted and found successful here, such clinics would be established at one or two other centres in the province, notably London and Kingston. In any event, Töronto Asylum is to be removed but no definite sten in that diremoved, but no definite step in that direction is likely to be taken until the report of Hon. Dr. Willoughby and Drs. Clark and Ryan has been received and discussed by the Cabinet.

HE PLANTED HIS FLAG.

Juhan Santos, a sailor on the gunboat Democrata, has just been granted, through the Department of War, a medal for bravery in planting the green, white and red over Clipperton Island in the Pacific, under circumstances of a most peculiar nature. He fought his way through an army of sharks in rough water, with no other weapon than a flog in a metal casing.

Regina, Sask, Aug. 23.—From the list of claims in respect to hailstorms filed with the Provincial Treasurer, it appears that agriculture has suffered unusually in this way during the year. The proportion, of policyholders in excess of the total number in 1906 is fifty per cent. and a considerable number have preferred claims.
