

QUALITY

in the flour means quality in the bread and the pastry you bake. Without quality behind your efforts, no knowledge or skill can bring good results. Better be without the skill than without the quality.

"BEAVER" FLOUR

is the highest development of blended wheats, embracing the rich health-giving properties of Manitoba Spring wheat and the carbohydrates of Ontario Fall wheat, which make delicate, white, light bread and pastry.

Remember, it is for bread and pastry, both. With BEAVER FLOUR in the house, you only need one kind to attain the best results in every form of baking.

BEAVER FLOUR means economy as well as efficiency. Ask your grocer for it to-day.

CAMPBELLTON CURLING CLUB TRIBUTE TO THE LATE W. A. MOTT

At a general meeting of the Curling Club held last week the following resolution was unanimously adopted.

IN MEMORIAM
W. A. MOTT, DECEASED

The Campbellton Curling Club is deeply conscious that it has suffered a very great loss to its membership and in the conduct of its affairs by the recent death of one of its principal founders, who for about fifteen years was its efficient and always faithful Secretary-Treasurer, and then its worthy President for two terms.

Our deceased curler, W. A. Mott, during all the nearly quarter of a century since this club was organized largely through his instrumentality and influence, was its constant friend, champion and zealous and able promoter in its every interest. To him, more than any other, was due the Club's success in procuring the ground upon which the rink is established. He was a prominent figure on all our festive occasions, and as toastmaster and director of our social functions he ever contributed largely to their success and enjoyment.

His hearty good nature, jovial, kindly but sparkling humor, his invariable and unaffected friendliness and manner of greeting, his wise but disinterested counsel, his ready willingness to

render whatever service he might to the Club and its members, these and numerous other good qualities of heart and mind, endeared him to us all, and caused his death to be felt by each member as a great personal loss, as it is an irreparable loss to the organization.

And thus, mourning his death as we do, the Club expresses its sincere, heartfelt sympathy for the bereft family and family relatives of our departed friend and fellow Club member, and we join them in cherishing his name and memory.

Therefore be it resolved:

That this memorial be spread in full upon the minutes of the Club as a permanent record and evidence of our sentiments herein expressed, and that an engrossed copy signed by our President and Secretary be delivered to the family of the deceased, and further that we hereby request both newspapers at Campbellton to publish this memorial in their next regular issues.

Presented by the committee, John White, E. H. Anderson, and A. D. Mackendrick; and adopted by the Campbellton Curling Club, January 22nd, 1912.

A. A. ANDREWS,
D. C. FIRTH, President
Secretary.

OPENING OF ST. ANDREW'S CHURCH NEW ORGAN AT CAMPBELLTON

The new organ recently installed in the new Presbyterian church, was officially opened on Thursday evening by Mr. W. Lynnwood Farnam, A. R. C. M., A. R. C. O., of Christ Church Cathedral, Montreal. The program included the following numbers:

1. Cornelius March (D. Major) Mendelssohn
2. (a) Berceuse (G Major) Faulkner
(b) Legend (E Flat Minor)
3. Fugue in G Major (a lagogue) Bach
4. Anthem—Sun of My Soul. Turner
- By the Choir.
5. Intermezzo in D Flat Hollins
6. Solo—Selected Mrs. H. Fair
7. Military March No. 4 in G—Pomp and Circumstance. Elgar
8. Caprice in B Flat Guilmant
9. Anthem—Evening and Morning Oakley
- By the Choir.
10. Allegro (from Sixth Symphony) Widor
11. Pastorale (from 1st Sonata) Guilmant
12. Fanfare d'Orgue (A Major) Shelley

Mr. Farnam who is reckoned Canada's foremost organist, showed his exceptional artistic skill in all his numbers and was listened to with rapt attention by an audience filling the entire building. Special praise cannot be accorded to any single number, all being rendered in a masterly manner, and the beauty and power of the organ shown in a marked degree. Mrs. H. Fair sang "Life's Lullaby" and the choir of the church rendered two anthems, under the leadership of the church organist Mr. John G. MacColl.

The organ which is thought by competent judges to be one of the finest in the Maritime Provinces was built and installed by the Canadian Pipe Organ Co. of St. Hyacinthe under the personal supervision of Mr. Medore and Mr. Dandellier. The organ is a two manual instrument, has 32 stops and couplers and cost \$4000.

St. Andrew's Church are to be congratulated on having a visit from Mr. Farnam who is very hard to get for recitals, but who has given many recitals in the west, and will go shortly to New York to give a series of recitals there on some of the biggest organs.

Here is a message of hope and good cheer from Mrs. C. J. Martin, Boone Mill, Va., who is the mother of eighteen children. Mrs. Martin was cured of stomach trouble and constipation by Chamberlain's Tablets after five years of suffering, and now recommends these tablets to the public. Sold by all dealers.

Third Baseman Of Chicago National Dead.

Syracuse, N. Y., Feb. 1.—James Dayle, third baseman of the Chicago National League, died this evening at 9 o'clock. Three days ago he was operated upon for appendicitis.

To Enjoy Life

NAVAL SECRETS

Every Workman Employed on a New Warship Has to Take An Oath That He Will Reveal Nothing He Sees.

The recent appointment of Mr. Winston Churchill to be head of the Admiralty recalls the fact that there is no more jealously-guarded department than that over which he now holds sway. The head of the Navy is the most reticent man in the Cabinet — when question time comes round. Whenever an answer is given you may be quite sure that it doesn't give very much away.

All new ships are built with the greatest possible secrecy. To begin with, every man who is employed, in whatever capacity, on a new warship has to take an oath that he will never reveal anything he may learn. No outsider is allowed anywhere near the building yards. When the first Dreadnought was being built, for instance, the great vessel was guarded so jealously that no one, save those actually employed on her, were allowed within forty yards. To show how strictly this order was carried out, two post-captains of the Navy, in uniform, were turned back by the police and private detectives on guard.

The actual plans of a new battleship are the most carefully guarded of all the Admiralty's secrets. They are kept in rooms which rival any strong-rooms of a bank. The draughtsmen never have the whole plans given out at a time to different men, every draughtsman is carefully watched in order that he can take no copy of the part of the plan in front of him. So well are the complete plans divided up that even if three or four men agreed to act together they would be unable to find out much about Britain's latest Dreadnought. Whenever any portion of the plans goes out of the strong-room its movements are as carefully watched and checked as those of the keys of the room.

When the German Emperor visited Gibraltar a few years ago the greatest precautions were quietly taken in the politest possible way, to prevent members of the Kaiser's suite seeing too much. Sentries were placed at all sorts of odd corners on board all the men-of-war. Every part of the vessels was carefully guarded, and more than one German officer who had "wandered" below was politely shown the way up to deck again.

THOUGHT IT WAS CANCER

"Fruit-a-lives" completely restored me

SYDNEY MINES, N.S., Jan. 25th, 1910. "For many years, I suffered tortures from indigestion and dyspepsia. Two years ago, I was so bad that I vomited my food constantly. I also suffered with Constipation. I consulted physicians, as I was afraid the disease was cancer, but medicine gave only temporary relief.

I read in the 'Maritime Baptist' about 'Fruit-a-lives' and the cures this medicine was making and I decided to try it. After taking three boxes, I found a great change for the better and now I can say 'Fruit-a-lives' has entirely cured me when every other treatment failed, and I reverently say 'Thank God for 'Fruit-a-lives'.

EDWIN ORAM, Sr.
'Fruit-a-lives' sweetens the stomach, increases the actual quantity of gastric juice in the stomach and ensures complete digestion of all sensible food. 'Fruit-a-lives' is the only medicine in the world made of fruit juices. 50c. a box, 6 for \$2.50, or trial size, 25c. At all dealers, or from Fruit-a-lives Limited, Ottawa.

OBITUARY

MRS. MARTHA BARNES

Salisbury N. B. Jan 27.—Henry C. Barnes received the sad intelligence on Friday evening of the death of his sister, Miss Martha G. Barnes, who passed away in Boston Friday morning. She had been in failing health for some time.

Before making her home in Boston with her sisters some years ago, Miss Barnes was one of New Brunswick's most successful school teachers, her last school being at Campbellton, where she spent many years. She is survived by two brothers and three sisters. Mrs. S. A. Holstead, of Bellview Florida, is her youngest sister. Her two other sisters are residents of Massachusetts. The brothers are Henry C. Barnes, Merchant of Salisbury, and Rufus Barnes, commercial traveler, of Nova Scotia.

H. C. Barnes left for Boston this afternoon and will probably reach home with his sister's body on Tuesday. She will be buried in Pine Hill cemetery at this place.

Do you know that more real dangers in a common cold than in any other of the minor ailments? The safe way is to take Chamberlain's Cough Remedy, a thoroughly reliable preparation, and rid yourself of the cold as quickly as possible. This remedy is for sale by all dealers.

A recent issue of the Trade Review published at St. John's Nfld., referring to the extension of the business of the Bank of Nova Scotia in that colony, remarks:—After the church and school-house, the greatest moral uplifter in a small place is a bank. Its establishment means that the settlement has crossed the almost intangible border-line that distinguishes a village from a town, and there is a consequent boost to civic pride, that means much for the place. We do not know if the philanthropic aspect of the situation appealed to R. H. Anderson [the manager of the Bank of Nova Scotia in Newfoundland] when he picked the likely spot for the establishment of these branches; if not, he himself better than he knew, for every one of the towns spoken of have a real need considerably—socially and materially—since the opening of the branches. Mr. Anderson is a gentleman of long experience and natural financial ability, and with these qualifications he possesses courtesy and caution in the requisite degree to make a first-class bank manager. He is assisted by a clever staff of young men, most of whom are natives of the country, who make it a pleasure to do business at the Bank. (Mr. Anderson is a native of Chatham, and was a former manager of the Bank of Nova Scotia, here.)

2 IN 1 FAMILY

Here is one of the many cases in which several members of one family have benefited from the household box of Zam-Buk. Col. Sgt. Louis Elliott, 3rd Co., 46th Battalion, Peterboro, Ont., says: "The lower part of my face, cheek and chin broke out in small red pimples, which later feasted and broke, forming nasty sores and dry scabs. The itching set up by these eruptions and sores was terrible, and seemed far worse during the night. All kinds of soaps, washes and ointments were tried in the vain attempt to get relief, even to bathing with carbolic acid and water. Finally I thought of Zam-Buk and straightway procured a box at the drug store. One night's application brought great relief from the intense itching, and as I kept on applying this balm daily, the inflammation was soon drawn out, and in less than a week's time the sores were thoroughly healed and every scab banished."

Mrs. Elliott, 139 Sherbrooke St., Peterboro, telling of Zam-Buk's effect on her younger son Walter, says: "He slipped and caused a wound on his right hip, which developed into a running sore. From this smaller sores spread until his lower limbs were covered with ulcers. These proved very alarming and I feared blood-poisoning! I began the Zam-Buk treatment, and it really seemed to aid like magic! In a remarkably short space of time the raw running sores were all healed. I am very grateful indeed for his cure, and I strongly recommend all mothers to keep Zam-Buk always handy."

WHAT ZAM-BUK WILL CURE.
Zam-Buk will be found a cure for cold sores, chapped hands, frost bites, blisters, blood-poison, varicose sores, piles, scalds, rashes, ringworm, inflamed patches, babies' eruptions and chaps, eczema, cuts, burns, bruises, and skin injuries generally. All drug stores and grocers sell it, but for best results, get Zam-Buk from the original source, the only place where you can be sure of getting the genuine article. See the registered name—Zam-Buk—on every package before buying.

FREE BOX
Send this Coupon and 10c Stamp to Zam-Buk Co., Toronto, and you will receive free trial box. 10c & 5c.
