Do you try to buy high-grade printed matter the same as you would pig iron and coal at so much per. It can't be done. Why? Because printed matter to be RIGHT must be sixty per cent. brains mixed with forty per cent. of material and mechanical execution.  
Printed matter turned out of The Advocate Job Dept. is RIGHT.

Butter Parchment of the Best Quality is kept at the Advocate Job Dept. Sold in one or two pound sizes, or in the full size sheet. 24x36. Butter wrappers also printed with Special Blue printing ink that will not run or stain the butter. 41-0

B. KERR, Principal

## Local and Provincial

**Discontinued**  
The Ocean Limited has discontinued running on Sundays.

**New Train Service**  
A suburban train will run between Bathurst and Campbellton, leaving Bathurst in the morning, returning same evening.

**Recruiting Officer**  
Sergt. Edmund Sargeant, who recently returned from the front, wounded, has been appointed Recruiting Officer for the County of Restigouche.

**Easter, April 23rd**  
Next Easter will fall on April 23. Only once again in this century will it be so late, in 1943, when the date will be April 25, the latest that is possible.

**Windsor Has Police Woman**  
Through the instrumentality of the Kingston Local Council of Women, that city has a police matron, who has recently been placed upon the strength of the city's police force.

**New Seams of Coal**  
The Windsor Journal says that recently new seams of coal of excellent quality have been discovered at Stelton, N. S., on the acres of the Acadia Coal Co. One is twenty-one feet thick, and another twenty-five feet.

**Presented With Ring**  
Sergt. D. E. Scott, of the 64th battalion, former editor of the Sackville Tribune, was presented last week with a signet ring, bearing his initials and the date of his enlistment, by the members of the fire department.

**Struck by Limited**  
Levi Adams of Flatlands was struck by the Limited Wednesday morning last, while walking on the track about a half mile this side of Flatlands, and quite seriously injured. He was brought to D'Almeida's hospital at Campbellton, where it was found he had a broken arm and was severely injured about the head.

**Chaplain to 165th**  
Announcement has been made that Rev. Father Jean Gaudet, of Adamsville, Kent County, has been appointed Chaplain to D'Almeida's 165th French-Canadian regiment, now being recruited with headquarters in Moncton. Like Rev. G. A. Lawson, Chaplain to the 145th, Father Gaudet will hold the rank of Honorary Captain.

**Three Cent Stamp**  
The post office department has issued a three cent stamp which can be used in place of the two cent stamp and one cent war stamp. A million stamps per day are now being turned out and this number will be doubled in a week. Supplies have already been sent to all the provinces.

**Correction**  
In a letter of acknowledgment from Miss Ruth Logie, sent to the local branch of the Red Cross Society through Mr. R. Cory Clark, the name of Pte. L. F. Ullock was mentioned, which should have read Pte. L. P. Ullock, of Chatham Head, not Pte. Frank Ullock of Chatham. Pte. Percy Ullock is still in the hospital, suffering, as stated in the letter, from hip disease.

**Men Can't Stand Everything**  
"Fellow dropped into the office the other day and ordered the paper, and we were pleased. Said it was a good paper, and we were glad. Said it was worth more than the money to any man of intelligence, and we were tickled. Said it was the mainstay of the town, and we were surprised. Said it was the greatest booster and the most reliable town builder and developer in this whole community, and we yelled with joy. Paid for his paper, and we said gently to the floor in blissful unconsciousness. Nature had reached its limit."—Altoona Tribune.

**Beware of Fake Cablegrams**  
A certain Windsor boy who had been on the firing line received a wound which necessitated his removal to a hospital for treatment. While the patient was convalescing, some friend obtained his home address and also the name of a relative who resided in Windsor. A cable home for money was received but the relative in town wisely paid no heed to the call for the soldier, who only a few days previous had written here stating that he required nothing. The bogus message failed to accomplish its purpose and right glad the Windsor relatives that they did not meet the call, for—has since written home and makes no mention in his letter of this hurried call for funds. We sound this note of warning for the benefit of others who might, through relationship or friendship be tempted by these scoundrels. —Windsor Journal.

**GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD**

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

**ROD AND GUN**  
The January issue of Rod and Gun of Canada is on the news-stands and a glance at the table of contents shows that the magazine is living up to its reputation as the leading exponent of outdoor life in Canada. Among the contributors noted are Edward T. Martin, R. J. Fraser, Jean Stevenson, F. V. Williams and Margaret Grant MacWhirter, while some of the articles are: Game Farming for Profit and Pleasure; Capacities; The Unwritten Law, Almost a Walk-out; The Restigouche, etc., etc. In addition the regular departments devoted to Guns and Ammunition and Fishing Notes are well maintained. Trap shooters will be interested in the account of the recent Grand International shoot held at St. Thomas and dog lovers in the new Kennel department. Rod and Gun is published at Woodstock by W. J. Taylor, Limited.

## When the Other Baby Came

(From St. Nicholas)

I use to be a baby  
'Fore the other baby came.  
I didn't know that maybe  
I'd have to change my name;  
But now I'm only "Brother,"  
He's mother's "precious pet"  
(I guess she's stayed my mother,  
But I haven't asked her yet.)

I thought, though he was tiny,  
And he looked so very queer,  
He'd get over being whiny,  
When he found that I was here  
I thought before he knew it  
We'd be as chummy as could be  
But I ain't a-goin to do it,  
'Cause he isn't nice to me.

I mustn't even hold him  
Less he drops onto the floor,  
An' I don't do to scold him,  
It just starts him in to roar;  
I am goin' on seven,  
And I go to bed alone;  
But I wish he'd stayed in heaven  
Till he'd got a little grown.

P'raps some day there'll come another;  
It would be a funny joke;  
Then he'd have to be the brother  
An' he'd be told his "nose was broke"  
It would start him yellin' maybe,  
But I'd tell him just the same,  
That he couldn't be the baby  
When the other baby came.

## Crandall Harrison &amp; Co. Ltd.

**PUBLIC NOTICE** is hereby given, that under The New Brunswick Joint Stock Companies' Act, Letters Patent have been issued under the seal of the Provincial Secretary, Treasurer, bearing date the ninth day of December, A. D. 1915, incorporating Herbert William Harrison, of Newcastle, in the County of Northumberland and province of New Brunswick, Lunenburg; John Harrison (Crandall), of Moncton, in the County of Westmorland, Province aforesaid; Lunenburg; Alexander Watson, of the City of Saint John, in the County of the City and County of Saint John, in said Province; and Isaac Franklin Archibald, of the said City of Saint John, Accountant, and Frederick Richard Taylor, of the said City of Saint John, Barrister-at-Law, for the following purposes, namely:

To purchase, acquire and take over as a going concern the lumbering, milling and mercantile business and undertaking, stock-in-trade, goodwill and all other property, real and personal, assets, timber, timber limits and effects of the business at present or lately owned and carried on by Herbert William Harrison, John Harrison (Crandall) and Alexander Watson, of Newcastle, in the County of Northumberland, and elsewhere under the name of Crandall Harrison & Co., and to continue to carry on the said business and undertaking.

To carry on and prosecute a general lumbering, milling and wood manufacturing business, including logging, driving, sawing, milling, manufacturing, shipping, buying and selling of lumber and timber products and of all other goods, wares and descriptions, and the manufacture and sale of goods and articles wholly or partially made of wood, and including the manufacture of pulp wood, and all articles made therefrom, and also a general mercantile business, both wholesale and retail, and to do all things as are incidental to such objects, with power to build, erect, equip, establish, maintain and operate mills, sawmills, planing mills, shingle mills, stores, warehouses, blacksmith shops and machine shops, and all other buildings and erections necessary or convenient for the carrying out of the various purposes and objects of the proposed Company.

To search, explore and work lands of the Company for metals, minerals and other deposits, and for that purpose build and equip all works, buildings and conveniences which may seem directly or indirectly conducive to such mining operations.

To build, construct, man, equip, maintain and charter lighters, barges, ships, steamers, tug boats and vessels of every description, and generally to do all things incidental or necessary to the same.

To establish and maintain upon the property of the Company biers, wharves, and such other conveniences as are suitable to the purposes and objects of the proposed Company, and to do all things incidental or necessary to the same.

To acquire any other business similar to its own, and to enter into agreements for sharing profits, joint adventures, reciprocal concessions, or other arrangements of a like nature with other persons, firms, corporations, partnerships, or any similar or like business, or allied to the said business of the Company.

To carry on any other business which may seem to the Company capable of being conveniently carried on in connection with the above, or calculated directly or indirectly to enhance the value of the Company's property, business, or assets; to be the name of "Crandall Harrison & Co. Ltd., a limited liability company, having a capital stock of four hundred shares, divided into four hundred shares of one hundred dollars each, and with the head office at the Town of Newcastle, in the County of Northumberland, in the province of New Brunswick.

Dated at the office of the Provincial Secretary at Fredericton, the ninth day of December, 1915.

D. V. LANDRY,  
Provincial Secretary-Treasurer.

REFERENCES—Any wholesale fish house in the United States. 50-10

Electric flat irons, curling tongs and other electric apparatus should not be left with current turned on.

Great care should be exercised when thawing frozen water pipes with a naked flame. Hot water is more effective and is absolutely safe.

For Belgium Relief Fund  
Moncton Transcript—At a meeting of the Council of Port-Cambrland Chapter, I.O.D.T., it was decided to make a contribution of \$50 to the Belgian relief fund and also to send \$20 to Miss Arnold for comforts for Canadian soldiers.
