Lieut. Ernest White, son of Mrs. Jacob White, has received news of his appointment to the position of postmaster at Bathurst, and is to take up his duties as soon as he receives notification from the postal authorities. Lieut. White has a fine war record, having joined the 132nd as a private and later, on being transferred to the 26th Battalion, won his commission in the spring of 1916. Before the war he was assistant postmaster at Bathurst.

Another Newcastle hero arrived home last week in the person of Pte. Herbert Condron, and is receiving a hearty welcome from his many friends. "Bud" was one of the first to enlist in the 132nd Batt., and after spending about three weeks in England transferred to the 42nd Highlanders, and crossed to France on Dec. 5th, 1916, and has taken part in all the big engagements since that date, with the exception of the battle of Cambrai, at which time he was in hospital, recovering from wounds received in battle.

The week-end market was quite largely attended this morning both by teams and buyers. Butter showed an inclination to climb and starting with 60 cents it climbed to 65 cents a lb. Eggs remained at last week's price of 45 cents a dozen. Beef sold for 12 to 15 cents a pound and veal sold from 10 to 15 cents a pound. Potatoes were plentiful selling for \$2.50 a barrel, while turnips sold for \$1. a barrel. Carrots called for \$1.25 a half barrel.—Saturday's Mail.

A new company, to be known as the Miramichi Construction Co. Ltd., has been formed to take over the plant of the International Shipbuilding Corporation at Nordin and Mr. H. A. Frank, who has been appointed Managing Director of the new company, arrived in town yesterday from Liverpool, N. S., to commence operations. With Mr. Frank came several ship carpenters and other mechanics to work on the vessel now on the stocks will be vigorously pushed.

Mr. Frank, who is a son-in-law of Mr. James Robinson, of Millerton, and well known on the Miramichi, has been a very successful shipbuilder at Liverpool and will no doubt build up a creditable industry on the Miramichi.

THEIR GLOSSY HAIR

FREE FROM DANDRUFF
Girls! Try Danderine! Their hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp, the hair roots loosen, loosen and die; then the hair falls out fast. Surely get a small bottle of Danderine from any drug store and just try it.
