Don't neglect the eyes Lost sight is irrecoverable. A dentist can replace a lost which may pass for the tooth of nature, but no oculist can restore the eye once sightless your eyes from being overtaxed by using spectacles to relieve and strengthen them. We can fit almost every eye with the lens required to aid the sight and spare its optic nerves. Parties in town or tested at their own homes if sufficient notice is given us at

The best cough cure is Hazyard's Pectoral Balsam. It heals the lungs and cures coughs and colds.

ALL THE PEOPLE

Should keep themselves healthy. Especia care should be given to this matter atthi-time. Health depends upon pure rich blood, for when the blood is impure or impoverished, diseases of various kinds are almost certain to result. The one true blood purifier is Hoood's Sarsaparilla. By its power to purify and vitalize the blood it has proved itself to be the safeguard of health, and the record of remarkable cures effecied proves that it has wonderful power over disease. It actually and permanently cures when all other preparations fall to do any good whatever.

To remove worms of all kinds from children or adults Dr. Low's Worm Syrup is a afe and sure remedy.

ered Heart Review.)

for babies and children who place of honor in the current Catho-are thin, when they should be lie World. His theme is "Half Con-

chinery before feeding it with raw material. Protestantism is no friend to close reasoning, and -its votaries crutches of the truth of God and offer them to crippled intelligences. The teaching of correct religious easoning must, as a rule, go before even the very beginning of human his missions to non-Catholics, add- lauding

ing that to his mind clear argumentation, which is seldom heard from lish reformation, and, in one of his letters, he expresses his pleasure that Mr. Green, the historian, admitted "that the more he looked into the years and educators, journalists and educators attend missions to non-Catholics and preponderate among the converts English Protestant reformation generally, the worse is his opinion of the glass coffins in which they were supposed to sleep for a whole month without taking a whole month without taking a clings to it passionately. The expression of the converts of the police fell on the worse is his opinion of the castle of Lasken. won by such missions. Father Elliot asserts that the firs half of conversion is often the quick Catholicism can not be extirpated; half, though he adds that it is not, that it is too great and too attaching number of Anglicans who "go over She still retains that proud beauty, half, though he adds that it is not, in many cases, the easiest, for in conversion, as in most things else, it is the first step that ordinarily costs. He holds that a genuine bigot—provided he be not a numbscull—being a good hater easily becomes a good lover of truth after he comes a good lover of truth after he bas become convinced of his errors.

Saul of Tarsus was a bigot, he submits, and yet how sudden and thorough was his conversion. He insists that half converts are plentimered by the companion of something like old counted for that practice twelve years ago. This indicates a remarkable English return to Catholic practices, if not to Catholic faith.

The other day she took up a menu from the table, and the converts are plentimered by the country of the country of the cook up a menu from the table, and the converts are plentimered by the country of the cook up a menu from the table, and

way to the full fruition of faith. He would have Catholice claim truth, by fixing God's trade-mark upon it, wherever they find it; discuss moral topics for those who admire right living, use history, which he calls the tracings of God's finger on the The French Revue Catholique des fire and sword of the Huguenots, but the can sword in the catholic tracings of God's finger on the The French Revue Catholique des fire and sword of the Huguenots, but the catholic tracings of God's finger on the Catholic tracing to the catholic tracing tracing tracing to the catholic tracing traci

In the very interesting contribu are its victims; they must have the tion he makes to this issue of the ruth fastened on their mental facul- Catholic World on " Matthew Arties as a brace is fixed upon a child's nold's Letters," Mr. Charles A. L. rooked leg. The first work of the Morse devotes one or two paraissionary is frequently to make graph's to Arnold's views of Catholisiem as they are shown in his letman of too fine a cultivation and teo cosmopolitan character to fall into faith." Father Elliot declares that the vulgarisms regarding the Church wrote: "I often say to liberals that

insists that half converts are plentiful; they are to be found in thousands of families of mixed religion, among the bright men and women who have read or travelled much, and there are whole towns, he say, where the non-Cathelice are half converted, so kindly are their feelings towards the Church and so ready are they to listen to the truth. Such persons, however, can not, he argues, be forced into the Church; they must be won, and they may be gained, in many instances, by being induced to attend a good rousing mission. The experienced Paulist sugges's various means for bringing these helf converts the rest of the way to the full fruition of faith. He would have Catholice claim truth, by Svinc Gold's tash many control of the plant of the converts the rest of the way to the full fruition of faith. He would have Catholics claim truth, by Svinc Gold's tash many control of faitrees in the literature of faitrees wherever it was tried. Mr. Morse, the half would have Catholice price; who alter that his intellectual vision was near-sighted, and he declares that the defect in Arnold's vision, when his gaze was directed to the Church, caused him to see that she was "great" and "attaching," but made him suspect that he was invulnerable also. Ho was too near-sighted, though, to see that she was invulnerable also. Ho was too near-sighted, though, to see that she was invulnerable also. Ho was too near-sighted, though, to see that she was invulnerable also. Ho words without mistake or hesitation, just as he was to make the way to the full fruition of faith. He was invulnerable also. Ho was too near-sighted, though, to see that she was invulnerable also. Ho was too near-sighted, though, to see that she was invulnerable also. Ho was too near-sighted, though, to see that she was too near-sighted, though, to see that she was invulnerable also. Ho was too near-sighted, though, to see that she was invulnerable also. Ho was too near-sighted, though, to see that she was too near-sighted, though, to see that she was too near-sighted,

the tracings of God's finger on the map of time; and, in fine, try everything and all things calculated to complete the conversion of half converts. His closing paragraph is full of admirable suggestions. "The Bartclome de las Casse, who has not been inappropriately called America servething except religion, or only exceptionally about religion. Now, as a mere topic, as a time-killer, religion is of interest to everybody; managed by a Catholic, it is a conversational apostolate. Throw much is defined as a surface of the soil truth; some will stick. As to good

The French Revue Catholique des fire and sword of the Huguenots, but they were afterwards driven out from the land during the Revolution. The church and cloister had unfortunately remained, since that time, in the possession of the Government. A pious Catholic has now bought them beek and devoted the cloister to the use of old men.
