

The Eastern Car Company,

(LIMITED.)

6 per cent. Cumulative Preferred Stock yields 6.66 per cent. to the purchaser at the issue price of \$30.00 per share.

This Company will start with the following advantages in its favor:—

PLANT is designed by car building experts with a view to great economy in operation. The building of cars will progress in a rapid and economical manner.

EQUIPMENT is to be modern and up-to-date in every particular. It will be the result of the experience of car builders for many years, and its operation will be unimpeded by antiquated or ineffective units.

SUPPLY—The Nova Scotia Steel & Coal Company will supply the steel required in finished shapes for the manufacture of cars. This will provide a continuous supply and overcome the necessity of locking up a large amount of working capital at all times.

MANAGEMENT—The management has had a long experience in the manufacture of iron and steel products. The Nova Scotia Steel & Coal Company enjoys an administration and management both economical and efficient which will be at the service of the new Company.

Subscription forms may be had on request.
