The Daily News is full of "squeals this morning. One writer squeak because Mr. Kent has silenced the false malicious sectarian cries which the Morris candidates fanned into life in St. John's East. The Editor squeaks because of the treatment that Squires is alleged to have received in Trinity Bay, and attempts to lay the blame o

W. F. Coaker We know that Mr. Coaker has in his platform utterances and otherwise in this election advised the people to give both sides a fair hearing. force was his slogan. Did Morris and the Daily News squeal last election when heelers of the Morris-Crosbie party precipitated Sir Robert Bond into the water in such a cowardly, dastardly way? Did Morris and the Daily News squeal when Bishop, who did the "infamous trick" was let out of the Penitentiary before his time expired? Did Morris and the Daily News squeal when Crosbie guaranteed a debt for the same man Bishop for a large amount? Bishop's "infamous trick" is not forgotten. Nor can the Daily News by inflammatory words justify bringing Mr. Coaker's name into the mess Squires seems to have got himself into in face of the fac that Mr. Coaker has advocated giving to all on both sides a fair hearing Again, what is Donald Morison doing in Bonavsta Bay. Our advices re-ceved say that he is sending around circular giving himself a certificate of character which he says he got from the Orange Grand Lodge when it was in session in St. John's this summer. And further that this certificate of character is signed by a Rev. Mr. Fish and a Mr. Morphy, who are two Canadians. Have things come to this pass that Morison, Minister of Justice, is obliged to go to two Canadians for a certificate of character? If he has lost any of his character in this country then wh did he get Canadians to bolster hin Sir Edward Morris is his leader Would not Siv Edward Morris's certificate be just as good? Sectarianism! If Morison is not full of it, who is? The tactics of the meanest politician that we ever heard of cannot compar with the tactics of Morison. Morison's tactics are very much like his charac No wonder the Editor of Mori son's Daily News cannot help putting

Down and Out.

To put it that the People's Party trio for the East End is down and out is certainly putting it mild. Last night their heelers visited Georgestown and distributed picture cards at the doors In some blocks not a single house would accept the card but blankly refused it and told them they were staunch Liberals. So downhearted were the neelers that they gave up knocking to the doors and sneaked the cards in under the doors. But this di not even work, and when discovered was given to the boys to make sport of. Georgestown is eleven-twelfths Liberal, and Kent, Dwyer and Ryan can't lose there.
