BRISCOE-The Family Car.

A real family car ought to be one that pleases the whole family and that is just what the BRISCOE does.

The half-million dollar motor will appeal to Dad. FATHER-It is economical; it gives from twenty-five to thirty miles per gallon of gasoline; it is simple and accessible in its construction; it can be throttled down to low speed instantly and it carries its load smoothly at lowest speed. It responds to the accelerator promptly.

MOTHER-Its neat and classy appearance combined with comfort will assuredly appeal to mother. The upholstery is deep and comfortable inducing, the back of the seat coming right up to your shoulder blades. There is plenty of leg room and the doors are exceptionally wide, making entrance or exit easy.

SISTER-The ease with which she can start, drive and control the car will make instant appeal to her. The gear shift acts so smoothly that difficulty in changing speeds is absolutely unknown. The clutch also responds easily and a woman can hold the pedal down without exertion with the car in gear, when stopping for a few moments. The brake pedal requires such a slight pressure to clamp the brake that lady can drive for hours without the slightest fatigue.

THE OIL INDICATOR, INSTEAD OF BEING MOUNTED ON THE INSTRUMENT BOARD, WHERE LEAKAGE OF OIL MAY SOIL A LADY'S COSTUME, IS MOUNTED ON THE TOE BOARD IN EASY SIGHT OF THE DRIVER. If necessary you can change a tire in a few moments, thanks to the demountable rims.

BROTHER-Riding in a BRISCOE gives you that cheery "good as the next man" feeling that adds a whole lot to the pleasure of motoring. It puts you in the envied class, instead of the other side of the fence.

FRIENDS will be comfortable, for riding in a BRISCOE is real comfort. Four full elliptic springs (the father of all springs), supplemented by deep upholstery, cradle the car and passengers against all road shocks.

Order early and avoid disappointment. An extra large supply of parts always on hand, backed by twelve years' experience, and a first-class repair department, will assure good service. Catalogues and specifications upon request.
