The Passing of Another Veteran.

Private John Devereaux Laid to Rest Yesterday.

The members of the Great War Veterans' Association of Newfoundland were deeply grieved to hear on Saturday that another comrade of the world war had passed away to the Vague Unknown in the person of the late ex-Pte. John Devereaux, of Ferryland. The latter had duly enlisted with the Royal Nfld. Regiment, and during the last months of his service contracted the disease which brought him to death's door, and from which he never recovered. He passed away at Jensen Camp, and the remains were brought to the mortuary chambers of Mr. J. C. Oke, on Saturday. The Great War Veterans remembered their old comrade, and a beautiful cross of Easter lilies and another floral tribute showed the respect of the organization to a friend who had gone West into the golden glow of the sunset. The funeral took place on Saturday night at 11 o'clock from Mr. Oke's building, and was attended by Mr. P. A. O'Brien, Secretary G.W.V.A., Capt. Leo Murphy and several other veterans who were friends of the deceased; the coffin was brought to the premises of A. Goodridge & Sons, where a motor boat was in waiting, and the remains were conveyed to Ferryland where interment took place yesterday afternoon.

Obituary.

MRS. MARGARET CHANCEY.

On Saturday night, at 10 o'clock, Mrs. Margaret Chancey, relict of the late Sheriff Chancey, passed away at the great age of 92 years, after an illness of very long duration. Mrs. Chancey was prominent in Church and philanthropic service, in which she was actively engaged until past her 80th year. Her connection with the late Lady Thorburn, late Mrs. J. E. Peters and others of her contemporaries in the W.C.T.U., and the Poor Asylum Mission, is still remembered with appreciation and gratitude. In the Congregational Church she was a mother, and with her husband, was untiring in effort and zeal. The funeral took place at 2.30 this afternoon from the residence of Mr. J. S. Currie, Monkstown Road. The sympathy of the Telegram is extended to the bereaved relatives.

Ranger's Men.

Disapprove Capt. Windsor's Action.

Some members of the crew of the S.S. Ranger called at the Telegram office to-day and asked us to state that it was on the seventh day of April that the strike of the 120 men of the ship's crew began, although Capt. Windsor said in his statement that it began on March 27th. Further no men were stopped from getting over the ship's side on the date of the strike, as there was nothing to get over for. The crew was satisfied to work the ship to port the 15th inst., after which their articles would expire. "The act of Capt. Windsor in landing us at Catalina, where we got fed on very little hard tack and tea, was not that of a hero," said the men. "In leaving us thus he thought he was doing great, but we were too wise for him. All the blame was laid to the ex-Soldiers and sailors, but these put honors to their names at other places than to the icefields, where Capt. Windsor would have found us hot enough to suit him had he been there."

Wedding Bells.

A very pretty wedding took place on the 17th inst., when Mr. Isaac Peddel, of New Perlican, led to the altar Miss Jennie Antle, of Ferryland. They leave by Thursday's train for New Perlican where they will reside in future.

TAKE A "FLYER."

With a small investment of about \$20 as a "flyer," we know of a splendid opportunity to double that amount within four months. On a \$50 "flyer" the profits of course would be more worth-while.

We can suggest a certain good security selling to-day around \$4 a share that should be selling from \$8 to \$8 by August. Ten shares would cost about \$40 and a payment of \$15 would control them.

Hold the 10 shares for a couple of months and sell out when the price reaches \$80, giving yourself a \$20 profit in addition to your original \$15. Ask us about it.
